Hahn Jewelers Victim of Robbery

The Hahn Jewelry Shop, located at 913 Main Street, was the victim of a \$4,500 robbery on Friday, July 6th, at 12:22 a.m.

Officer Gerald Hannum and Officer Harold Mason investigated the incident after the burglar alarm sounded. The alarm was set off when the front window of the store was broken. The window is 4' x 5', 1/4" thick and is wired with a burglar alarm.

A tray of 34 wedding bands was taken from the store, along with 3 sets of diamond wedding

and engagement rings and one keepsake engagement ring valued at \$350.

Two other rings were recovered that night. Officer Hannum found one wedding ring, valued at \$85 laying in the middle of the sidewalk in front of 928 Main Street. This indicates that the person or persons unknown at this time, ran South on Main Street. A second ring, valued at \$110 was found in the front entrance to the jewelry store.

The incident is under further investigation.

Village Clerk, Marilyn Sterbenz and Head Librarian of the Antioch Township Library, Betty Lou Williams, prepare for their presentation on preserving the history of Antioch that will be aired on WKRS on Thursday afternoon. (Staff Photo)

Further details on page 5.

Grant approved for Sewer Plant

Mayor Robert Wilton received some good news on July 5th with a call from Rep. Robert McClory's Office. Rep. McClory informed Mayor Wilton that Antioch had received \$374,625 in a Federal Grant to be used on the slated sewage expansion treatment plant expansion. This is 75 percent of the \$500,000 needed for the construction of the plant.

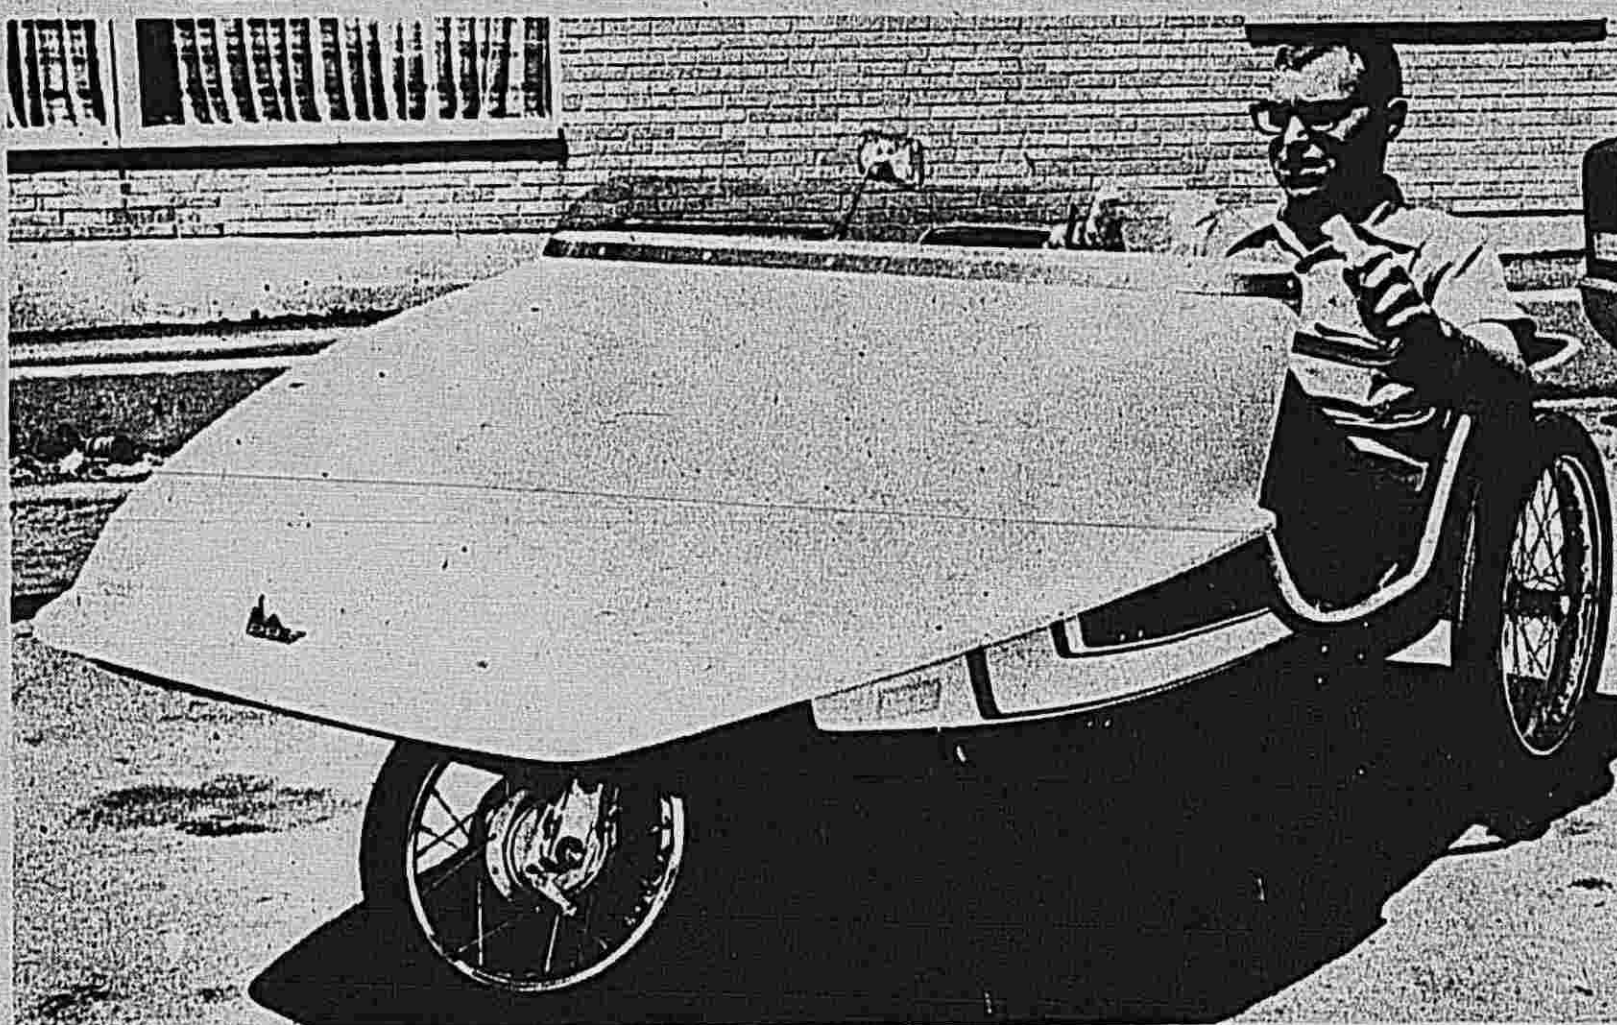

Mayor Wilton also received word from Mary K. Melrose, Senator Percy's Staff Assistant, that the money had been granted to Antioch.

The expansion of the sewage plant has been in the planning

stages for the past two years. The project was originally scheduled for construction in March of 1973 and was to be completed in December. The work will now begin this fall. The Village has already advertised for bids which will be opened on the 6th of August. If all goes well, the work could be completed by January of 1974.

The securing of the Federal Grant had been delayed several times for a number of reasons. In December of 1972, Village Engineer Frank Angelotti received word from the State informing him that they were

See the U.S.A. in your P.P.V.

Well, it might not be your idea of a cross-country touring car, but the People Powered Vehicle (PPV) is really designed for short trips around town. Designed by two engineers formerly from General Motors, and built in Detroit, the 2 seat, 3 speed, man-sized tricycle could offer a solution to several contemporary national crises. Being pedal-driven, it requires no fuel (other than food for the driver), thus does not add to the energy shortage. Nor does it pollute the air, and it takes up a minimum of space on city streets. Shown at the controls is Dennis Boehm, who sells the PPV for \$395 at Ray's Shell on Lake Street. Another firm in Connecticut manufactures a single passenger, 10 speed Pedicar; however there is no local distributor for them. (Staff Photo)

ARTS, CRAFTS & ANTIQUE FAIR A FIRST IN ANTIOCH

The Village of Antioch will hold their first Arts, Crafts and Antique Fair on July 21st. The fair is being sponsored by the Antioch Chamber of Commerce and Industry.

More than 100 artists, artisans, and collectors will have a complete array of art objects on display on the sidewalks of Antioch from 9:00 a.m. to sundown, according to William Barr, Chairman of the event.

One of the highlights of the Fair will be an auction at 2:00 p.m. where original artwork will be put on the sales block and Herman Behm, one of the

best known auctioneers in the Midwest, will cry out for their best price. The Auction will be held in the parking lot of the State Bank of Antioch on Lake Street.

Barr said that the Antioch Chamber of Commerce and Industry, will provide courtesy transportation from a free parking area at the Antioch Community High School and the Antioch Industrial Park to the exhibition area. Shuttle buses will be running every few minutes throughout the day. In case of rain the show will be held at the High School.

Mr. William Barr of The Barr Funeral Home is Chairman of the event. He commented that he thoroughly enjoys being involved and when the Chamber came up with idea he just merely carried it through. Barr has not been assisted by a co-chairman, rather there has been a fifteen member advisory committee that has worked together in the different areas. They are: Mrs. Ellen McDowell, Clare Gilday, Jane Craner, Mr. and Mrs. Paul Bay, Mrs. Gordon Cornelius, Dr. J. W. Kopriva, Mrs. Betty Baker, Mr. Paul Costa, Mr. Ronald Brice, Mr. and Mrs. Gerhard Braunberger and Jeffery Santino. Mr. Jay Dziki has served as the

President of the Committee, along with members, William Schroeder, Joe Rush, and Ken Nelson.

The judges have not been announced as yet.

The following is a list of some of the participants from the Antioch, Lake Villa area: Mrs. Carol Alexander, Antioch; Betsy Abbate, Lake Villa; Antioch Free Church, Antioch; Mario Anichino, Antioch; Antioch Coin Club, Antioch; Antioch Fire Department, Antioch; Gerhard Braunberger, Antioch; Dee Reuetsche, Lake Villa; Randall Fleck, Lake Villa; Anita Gedville, Antioch; Mrs. Shirley Grego, Antioch; The Hobby Barn, Antioch; T. Klaczak, Lake Villa; Knights of Columbus, Antioch; Mrs. Shirley Konen, Lake Villa; Carole Mattson, Antioch; Fran Moldenhauer, Antioch; Gail Moser, Antioch; Stuart Slavik, Lake Villa; Welcome Wagon, Antioch; Jane Craner, Antioch; Janet Pachay, Antioch; Jeanette Pachay, Antioch; Antioch Mental Health Association; Reid & Barb Kantenwein, Antioch; Judith VanDeusen, Crystal Lake; Louise V. Hagen, Antioch; Lakes Region Homemakers, Antioch; Sharon Ebert, Antioch; Clara Oberstad, Trevor; Rose Ann Ludford, Lake Villa; and Sally Salyards, Round Lake.

ROUTE 59 TO DIE IN ANTIOCH

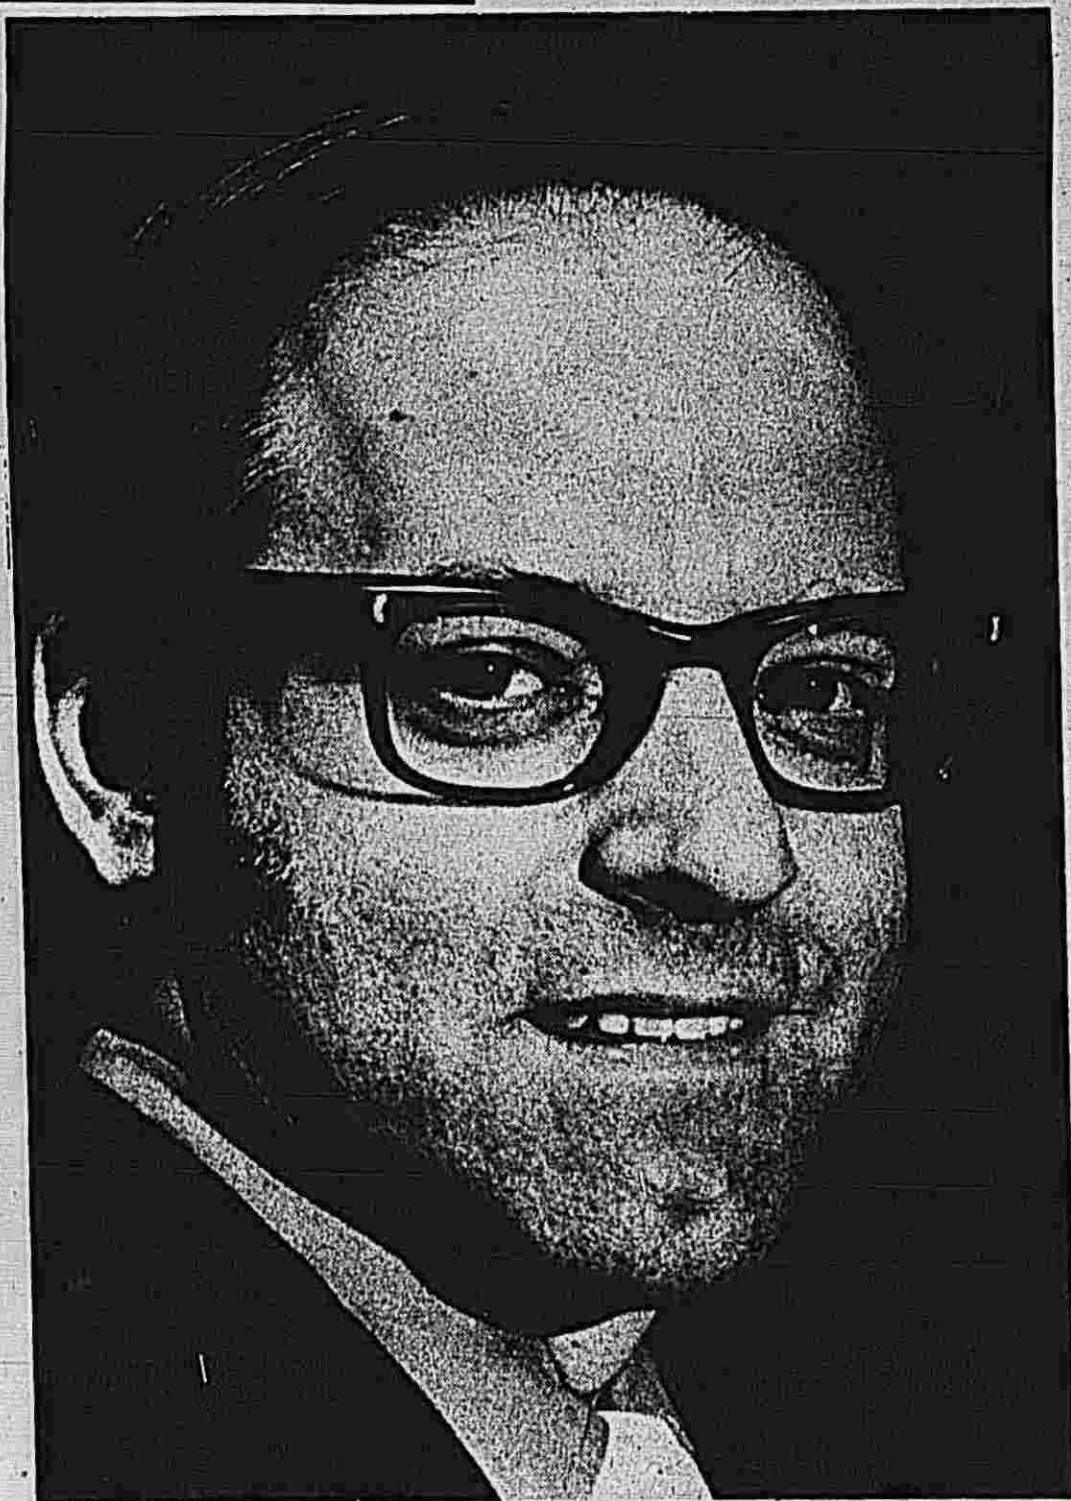

The Illinois Highway Department is currently drawing up a contract with the Village of Antioch concerning Route 59. The new contract is designed to make provisions to end Route 59 at Route 173 south of Lake Street. Presently, Route 59 runs to Route 83 (Main Street) in Antioch.

The Village of Antioch has been working for the past year promoting this change. Village officials feel that there are several benefits that can be obtained if Route 59 is discontinued at the new location. Foremost in their minds is the fact that it will allow the Village to control this street. They will be able to control truck traffic and will be able to post signs as they deem necessary.

On acquiring this stretch of State highway, Antioch will also acquire the maintenance of the street, but this has been considered a small price to pay.

THREE AREAS SLATED FOR SIDEWALKS

There are three areas in Antioch that have been tentatively scheduled for sidewalk improvements. The first area is located east on North Avenue between Oakwood Knolls and Route 83, Main Street. The second area is located south on Route 83 down to where the present sidewalks are located on Route 173. This will include the frontage of the Faith

Dr. W. Harold Garner is the newly appointed Dean for Administrative Services, Special Projects and Research at the College of Lake County. He replaces Dr. Russell O. Bloyer who resigned to assume the position of Dean of Students at Scotsdale Community College, Scottsdale, Arizona.

Garner, a graduate of Michigan State University with a Ph.D. in Administrative and Higher Education, served as Assistant Dean for Community Services and Continuing Education at CLC for three years prior to his new appointment.

A native of Maryland, Garner resides at 724 S. Seventh Avenue, Libertyville, with his wife, Tina, and children, Stephen, 15, David, 12, and Terri, 8.

Lutheran Church.

The third area is located west of St. Peter's Church to Tiffany Road. These areas have been

selected as the areas most in need of sidewalks. However, they are only tentative locations at this time.

PHILLIP SCHWARTZ

Phillip R. Schwartz, 26, has been named to the new position of Associate Editor of the ANTIOCH NEWS.

He joined the newspaper in March of this year as Staff Photographer. In addition to

photography, he will now be responsible for news content and lay-out of the paper.

A native of Rock Island, Illinois, Schwartz received his B.A. in history from Loyola University, Chicago, where he was editor of the university historical journal, and has done graduate work at Mundelein College and the University of Illinois, also in Chicago. Before coming to Antioch, he taught high school social studies, and was yearbook advisor in Kankakee, Illinois, and worked as a free-lance photographer in the Rock Island area.

Since becoming a resident of the Antioch community, Phil has become active in the PM & L theatre, having a role in the upcoming production of "Three-penny Opera." He attends St. Peter's Catholic Church and resides at 583 Orchard Street in Antioch.

McCLORY ANNOUNCES GRANTS

Congressman McClory Announces \$11,000 Grant to Lake County Agency

Congressman McClory today announced that ACTION has granted the United Way of Lake County, Inc., approximately \$41,000 for a new retired senior volunteers program. The United Way of Lake County is located at 33 North Genesee Street in Waukegan and its Executive Director is Mr. Marlin Sherman.

Antioch Received Federal Grant

The federal Environmental Protection Agency today announced the approval of Antioch's Sewer Application (C171-170).

Congressman McClory made this approval known today from his Washington Office and explained that the grant has been awarded for Antioch's sewage treatment plant expansion and improvements.

\$374,625 has been approved for this project which is 75 percent of the total estimated cost of \$499,500.

This expansion of service is most important to the welfare and growth of Antioch and "I am delighted that it could be approved and funded under the Fiscal '73 program."

In announcing the grant Congressman McClory expressed the close cooperation which has existed between Mayor Bob Wilton, as well as former Mayor Raymond Toft, State Representative W. J. Murphy and other public officials in behalf of this vital community improvement.

Letters to the Editor on any current issues are welcome. Only letters with names can be considered for this column. Signatures will be withheld on request. Letters cannot be returned and are subject to minor editing.

EDITORIAL

BEWARE OF UNOFFICIAL FIRE INSPECTORS

It has been reported this week in Antioch that an unofficial, but very official looking fire inspector toured a home in Antioch.

The man gained entrance to the home by saying that he was a fire inspector. He toured the home measuring doorways and machinery that is used in the family's business.

The validity of the man's inspection was questioned by the head of the household, who found upon further investigation that this man was not a Village Fire Inspector nor was he from his fire insurance company.

Similar incidents like this have happened in the past and the consequences have not been happy ones. The Antioch News says don't let this happen to you. If a fire inspector, health inspector or anyone along that line calls to inspect your house, check them out before they check you out. If the inspector is from the Village of Antioch he will be dressed in uniform and will be carrying credentials. His identification can also be verified at the Village Hall. If the Inspector is from an Insurance Company, he should also be carrying credentials and he should be able to give you a number to call to verify his credentials.

WHAT ART CAN DO

On July 21st Antioch will be sponsoring their first Arts, Crafts and Antique's Fair. The ball has been rolling to organize the event for the last year and a half and it has really snowballed into a grand occasion.

This is one of the few times that so many diversified groups in Antioch have worked so closely together to make a community project a success. Area businessmen have given the project their hearty support and have pledged more than \$2,000 in Purchase Awards. The High School has offered their facilities in case of rain. Herman Behm has donated his services and will be participating in the Art Auction. And the list of contributors, donors and participants goes on and on.

Over 100 artists, artisans, and collectors will gather in Antioch on that Saturday and the affair has already been deemed as one of the Midwest's outstanding art events of the summer. It may even put Antioch in large bold print on the map.

The advent of this large and gracious event seems to offer evidence of what the Village of Antioch can do when it works together.

JULY IN ILLINOIS HISTORY

July has been an important month in Illinois political history and it was particularly important in Abraham Lincoln's political career. But it was also the month of the state's worst disaster, highest temperature, and race riots.

On July 4, 1778, George Rogers Clark and his small army captured Kaskaskia from the British, thus making Illinois a county of Virginia and a part of U.S. territory. On July 4, 1837 the cornerstone of the now-reconstructed old State Capitol in Springfield was laid; and two years later Gov. Thomas Carlin ordered the state offices moved from Vandalia in the new building by July 4.

Many of the Illinois July political highlights involved national party conventions held in Chicago. The 1896 Democratic convention heard William Jennings Bryan (who was born at Salem, Ill.) deliver his famous "Cross of Gold" speech. Bryan won the nomination and lost the election. But Franklin D. Roosevelt fared much better: three of his four elections began with nominations in Chicago in July—in 1932, 1940, and 1944 (the 1936 convention was held in Philadelphia). FDR flew to Chicago to accept the nomination in person in 1932—the first time this was ever done.

Both major party conventions of 1952 were held in Chicago in July. The Republicans nominated General Dwight D. Eisenhower and California senator Richard Nixon and the Democrats selected Illinois governor Adlai E. Stevenson and Alabama senator John Sparkman.

Chicago has had other notable conventions but most of them were not in July—Lincoln was first nominated in May, 1860, and the Democratic convention of 1968 was in August.

During the years he lived in Springfield Lincoln usually spent most of the month of July in court. At first he practiced only in the state courts but later he made trips to the federal court in Chicago. Lincoln arrived in New Salem late in July, 1831, and that month the next year found him serving in

the Black Hawk War. He also attended political rallies in numerous central Illinois towns and his famous series of debates with Stephen A. Douglas was arranged by exchanges of correspondence in July, 1858.

The state's worst disaster in terms of lives lost occurred on July 24, 1915 when the steamship Eastland capsized in the Chicago River. The steamer had been chartered for the Electric Co. employees. About 2,500 had gone aboard when suddenly the top-heavy vessel turned over on its side. The accident claimed 812 lives.

The highest temperature ever registered in the state was 117 on July 14, 1954 at East St. Louis. And summer heat was indirectly responsible for the Chicago race riot that began in late July, 1919 touched off by the death of a black youth while swimming in Lake Michigan. The worst downstate race riot was probably the one that occurred in East St. Louis in July, 1917.

The deaths of Illinois' second and third governors occurred in July: Edward Coles in 1868, and Ninian Edwards in 1833. Ulysses S. Grant died at Mt. McGregor, N. Y. on July 23, 1885. Adlai E. Stevenson II died in London on July 14, 1965 and was buried at his hometown of Bloomington five days later. And John Dillinger, the most notorious criminal of his time, was killed by federal agents as he left a Chicago movie theater July 22, 1934.

No One Forgotten

Early this Fall an era of Christian Ministry will draw to a close. On September 30, 1942, a student pastor accepted a call to fill the pulpit in Millburn, Illinois, for three years while he worked on his degree at the Chicago Theological Seminary. The three year call has extended to thirty one years and they have been happy ones for Rev. and Mrs. Lauren Messersmith and, for the Millburn Congregational Church.

"This has been a great experience for both of us. It's rather unheard of for a minister to stay that long in our denomination, or in any of the other denominations. We had no intention of doing this, but things just seemed to fall into the pattern that made this (seem) the thing for us to do. And we've been glad, because it's been a rewarding experience for us, to say the least."

Rev. Lauren Messersmith was born and raised in Frontier County, Nebraska, a sparsely settled county about a hundred and eighty miles west of Lincoln, Nebraska. He attended a one room country school and graduated from Farnham, Nebraska, High School. He journeyed to Lincoln to attend Nebraska Wesleyan College.

"At the end of one year I was so far in debt that I had to do something to get the debt paid off -- and I started teaching, of all things! I taught school for about 12 years and during that time I attended summer school and finally graduated from Nebraska Wesleyan. Then, at the end of 12 years of teaching I was elected County Superintendent of Schools of Frontier County and served in that capacity for five years."

When talking to Rev. Messersmith about his years of ministry to the Millburn community you can't help but notice that the most commonly used personal pronoun is "we". He and his wife, Marguerite, have been a team in the fullest sense of the word. Married in 1928 after having been high school sweethearts, the Messersmiths taught together -- and when, after 12 years of teaching, Lauren was elected County Superintendent of Schools of Frontier County, Nebraska, Marguerite served as his assistant. But, through all these years the call of the ministry seemed to grow stronger. . . .

"I had a trend toward the ministry. And, out in this rural

area we had some churches with no ministers and no money to pay for a minister. I found myself preaching nearly every Sunday. For several years I would even have two services a Sunday, one in the morning and one in the evening. And, consequently I'd find myself conducting several funerals and along with this several weddings, you see. (Rev. Messersmith, even then, was licensed by the Congregational Church.) It finally came to the point where we said we've just got to do one or the other. And we made the decision to go into the ministry. . . . we took a full time church in Cambridge, Nebraska. And, after being there two years, both of us knew that we had to get seminary training."

That decision brought the Messersmiths to Illinois, and to a three decade period of service: thirty-one years of ministry for Rev. Messersmith and an equal number of years of service to the children of Lake County as Mrs. Messersmith continued her teaching career.

"We hope we can retire in Lake County, because 30 years here brings us a lot of friends -- through the school and through the church. . . . it's bigger than just a community affair -- it's almost a county affair with us. And, it seems a shame to move away from it. But, we realize that we have to break the ties and in order to do that we have said that we will be gone for six months. We'll travel about the country. . . . my wife says we'll probably get snowed in out west, but if we see a snow storm coming we'll simply head south!"

The Messersmiths have purchased a condominium home in Leisure Village in Fox Lake and when they aren't travelling, will make their home there. This will keep them near their many, many friends in Lake County.

No minister can simply stop being a minister -- and this is particularly true of Rev. Messersmith. At most, retirement may merely slow him down. . . .

"I'm a little older than the average person just retiring and I have a feeling that I'll be willing to just be on the shelf, sort of. I'll be 72 when we retire and we're looking forward to just getting up in the morning and then deciding that we'll do this or that. We know that it will be a terrific adjustment. . . . I suppose that I could be

available for filling a pulpit here or there where a minister wanted me, you know. But, (for now) we feel that we should have some time to ourselves. We won't be just sitting, though, we have visions of doing volunteer work, perhaps in a hospital or something like that, you see. And calling on shut-ins -- I feel there is a great ministry for shut-ins. They seem to have been forgotten."

Rev. and Mrs. Messersmith leave much behind them when they leave the active ministry in Millburn. The church has nearly tripled in size and they have had the satisfaction of seeing through to completion a rather extensive building program.

The cold, hard statistics of Rev. Messersmith's ministry are probably available, but no one can reduce to mere numbers the joy and the sorrow and the love that have become the body of that ministry.

On May 20, 1973, Rev. Messersmith had the privilege of confirming the largest class of young people in his 30 years. Thirty young people were confirmed where 30 years ago it was one fourth the class size. This honor was performed on

Continued on page 19

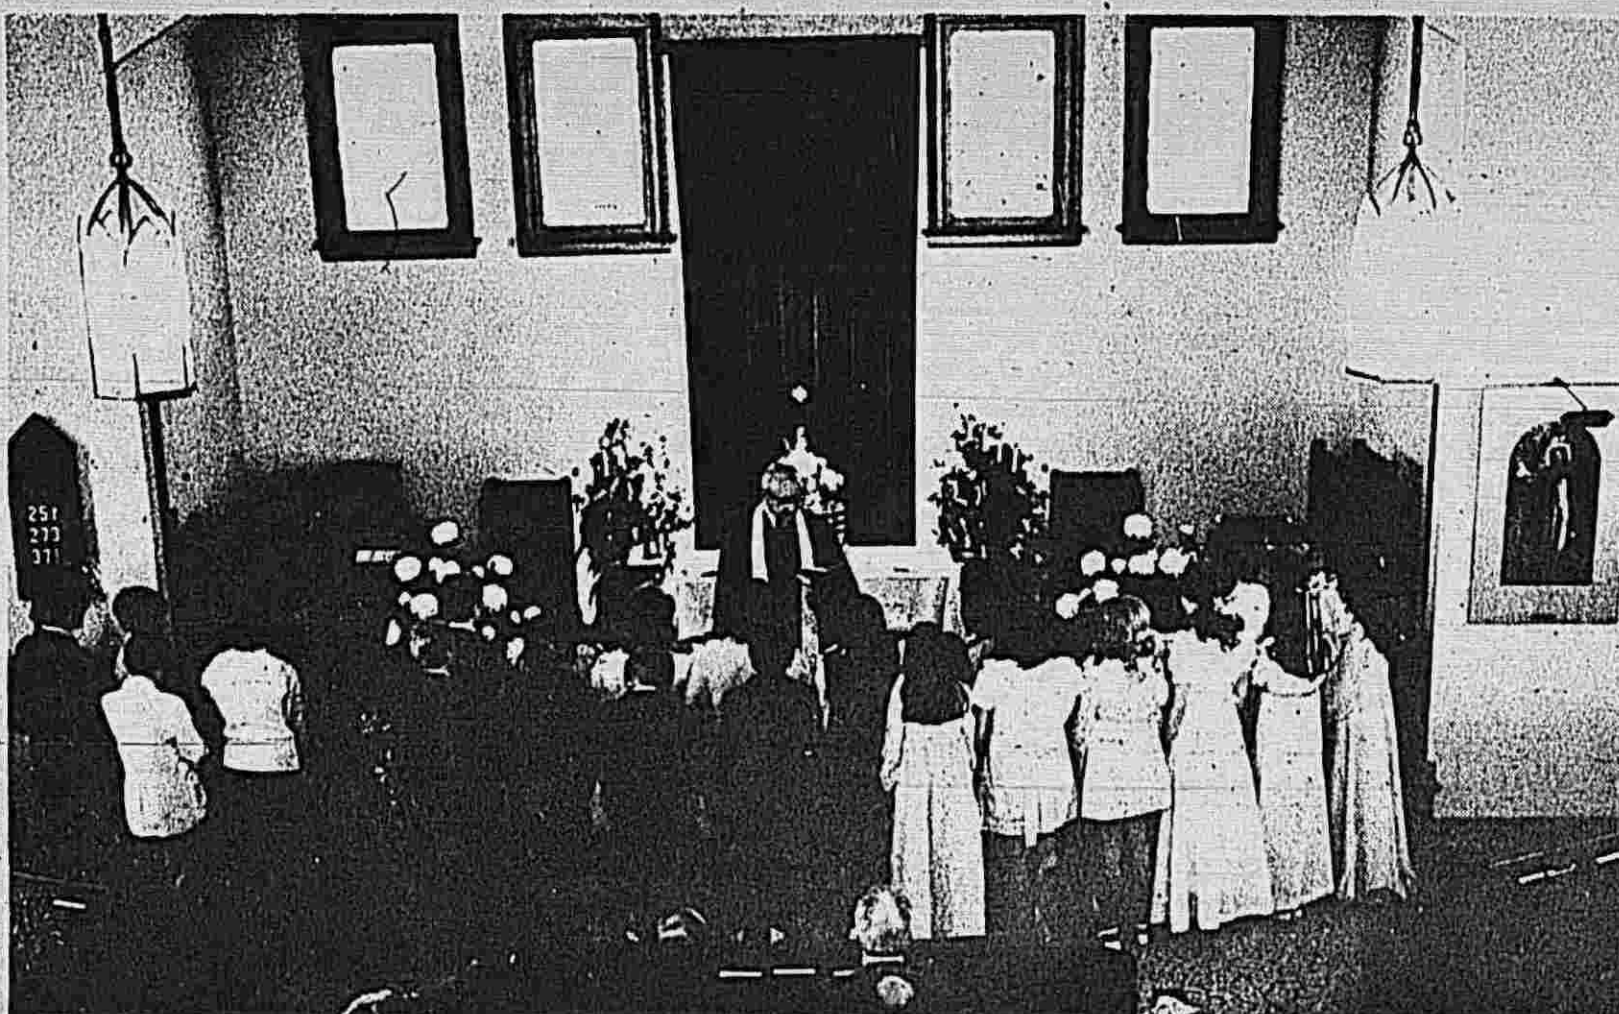

"I think the key to the problems we face today is found in Paul's first letter to the Corinthians, Chapter 13....Love, the perfect love of God. We never earn or deserve the love we receive....I'm glad they never said you had to like everyone. You can despise the thing a man does, but you can pray that the great purpose of his life can be realized through God."

REV. LAUREN MESSERSMITH AND HIS WIFE MARGUERITE

BETTY LOU & MARILYN CONCERNED ABOUT HISTORY

(see photo on page 1)

Tomorrow, Thursday, July 12th, somewhere between 12:00 and 2:00 p.m. the Village Clerk, Marilyn Sterbenz, and head librarian, Betty Lou Williams will be guest speakers on WKRS radio.

The show will be taped at the Holiday House in Wooster Lake. The topic of the show will be methods of preserving Antioch's History.

According to Miss Williams, Antioch history will slide further and further into the past until it is no longer reconstructable, unless some positive steps are taken to preserve it. Since Antioch has never had an Historical Society, little has been preserved. Both Miss Williams and Mrs. Sterbenz are asking that those who do know about Antioch's History or who have any remnants pertaining to its past donate this knowledge and material to the library.

The Antioch Township Library has already collected some such material. These materials include a very interesting and unique history of Antioch that was written by the teachers and pupils of the Antioch Grade school, District No. 34, in 1918. It also includes the history of Antioch as written by Jackie Horton for the Antioch News in 1954. Mrs. Horton, who died several years ago never finished her history after being discouraged by those who wanted to rewrite her materials.

Miss Williams said that there are many old timers in Antioch that could tell so many stories

about those early days, but soon it will be too late, and those memories will pass on unrecorded. Miss Williams also commented that many times when an older person dies the younger generation comes in and disposes of the old pictures, books and other odds and ends. But she wishes they would be donated to the library to be preserved and enjoyed for generations to come.

Both of the women would like to see an historical landmark of some kind erected in Antioch. Miss Williams commented that it is too bad the old library was not preserved as a landmark. She said, "Everything is gone now."

Swimmers were busy completing their life saving classes at the Antioch Aqua-Center last week. A new session of swimming classes started at the pool on Monday, July 9th. A third session will begin on July 23rd. There are still some openings in the 10:00 and 11:00 classes. There are lessons for all ages, beginners right on up. There is a fee of \$5 and it covers the two weeks of classes. Registration takes place at the pool. (Staff Photo)

CAPACITY CROWD EXPECTED AT CONGRESSMAN MCCLORY'S TESTIMONIAL

According to Thomas J. Cogswell, General Chairman of the "Decade of Service" testimonial to U.S. Congressman Robert McClory, a full house of 400 paying guests will crowd the Sheraton-Waukegan Inn on Friday evening, July 13, to honor Congressman McClory for his 10 years of service in the U.S. House of Representatives.

Keynoting McClory's "Decade of Service" dinner meeting will be U.S. Senator Hugh Scott of Pennsylvania, Republican Leader of the Senate.

Congressman John Anderson of Rockford has been tagged to serve as Master of Ceremonies. Presentations to McClory in behalf of Federal and local officials are to be made by Congressman John Erlenborn and Lew Steadman, Village President of Lake Bluff.

In addition to his leadership on Capitol Hill, Senator Scott is an engaging raconteur. He is familiar to live audiences and TV viewers for his ready wit and his forthright position on major political issues. The Pennsylvania Senator and McClory have worked together on several legislative issues which have since become embodied as part of the Federal law.

Ticket information may be secured from Mr. Peter Nordigian (MA 3-0112) or Lila Hamann (234-3053).

Plans were discussed at the regular village board meeting for the new village hall.

REMEMBER WHEN? We don't, but we know that all it takes sometimes is a little reminder to jerk a memory and bring back recollections of those days gone by. Each week we print an old photo submitted by an Antioch resident. Some we will be able to identify. For others, we leave it to you to search your own mental scrapbook. Call us if you can identify a photo. Better yet, if you have a memorable photo to share, bring it in to the office.

In the article "The Day That Main Street Became The Milky Way" in the July 4 issue of The Antioch News, we published a report that a spokesman for Willowdale Dairy in Antioch stated that milk producers now receive about \$7.11 a hundred pounds of milk. Contrary to this, Mr. Russ Doolittle of Antioch says that milk producers are getting \$6.16 per hundred for milk now.

KNIGHTS OF COLUMBUS CARD PARTY

The monthly meeting of Antioch - Lake Villa Council, No. 3800, Knights of Columbus was held on Tuesday, July 3 at the American Legion Hall, at 8:00 p.m. The newly elected officers took over their respective positions as follows:

Grand Knight, Ted Burbridge; Deputy Grand Knight, Charles L. McKenny; Financial Secretary, Michael D. Kelley; Warden, Harold J. Kelly;

Chancellor, P.T. Zeien, Advocate; Inside guard, Leo Bednor; Outside Guard, Thomas Haley; Recording Sec., John Kapustke; (John Horan Pro Tem) Treasurer, Dan Dugenske; Trustees, 3 years, Al Roth; 2 years Sam Lombardo and 1 year Bob Berg. Father David L. Lynch, Lake Villa, gave the meeting prayer.

Brother Burbridge gave a report on the council's booth

entered in the First Annual Art Fair on August 21st. The booth will be on the lot that formerly housed "Buds" Tavern and council members will have an old fashioned corn roast during the day.

On Tuesday, July 17th, Antioch-Lake Villa Council will have an open meeting and an old fashioned card party, with prizes and refreshments at the Legion Hall on Ida Avenue, Antioch. Guests are invited.

OPPS WE MADE A MISTAKE

In last weeks edition, in the story and picture entitled "From out of the past," Ted Ozga was incorrectly identified as Ted Wertz. Ted Ozga is the owner of the barn that burned to the ground on Route 83, and not Ted Wertz. Many apologies.

B-J RUSH of Antioch

Along the Way with *Annie Mae*

Jim Portalski hosted a surprise birthday party Saturday night at Paty's Lounge for his wife Julie. Whata surprise! Many friends and relatives joined in to wish her many, many more!

Addie Horton celebrated her 84th birthday on July 3rd with a cookout. Weekend guests here for the celebration were Mr. and Mrs. Glen Glynn and Mrs. Lela Flynn from Chetek, Wisconsin. Also on hand were Mrs. Jennie Nevillier, Mrs. Leah Burdick, Mr. and Mrs. Art Laursen, Mr. Ray Horton, Mr. and Mrs. Lyle Horton, Mr. and Mrs. Leonard Horton, the Robert Horton family and the Glen Hauser family.

Lynne Sterbenz came home from the hospital on Saturday. According to her mother she is extremely happy to be home. Already getting around on her crutches, her spirits are much higher and we're glad to have ya home gal!

Antioch's Dr. Abderholden is not alone in recovering from open heart surgery as Dr. Irving Resnik, D.D.S., is also in the same boat. His surgery was performed on April 23rd and he is now back to work in his Main Street Office looking and feeling fit as a fiddle.

The official census has been announced, and Antioch now has a booming population of 3,677. The Jewel Food Store on

Lake Street conducted the census, and they have now been granted a liquor license as the result of the increased population.

The seven boys who attended camp in Rockford, sponsored by the Illinois Police Benevolent Association, returned to Antioch with many happy memories last Saturday.

Transportation for the trip to and from the camp was donated by Mr. and Mrs. Joseph Skach, owners of the Skach Manufacturing Company in Antioch.

Tod Maplethorpe and his family returned from a trip to visit relatives in Colorado on Monday. It sure has been a lonesome and unhappy week in the Public Works Department and the Fire Department.

Just back from an 11½ mile canoe trip last weekend in Waupaca Wisconsin are Dan and Willie Kasik, Paul and Mary Lou Eckert, Ed and Jean Haley and Mike and Sue Haley. Everyone thoroughly enjoyed themselves and spent as much time in the water as out of it.

That ole fishing bug bit Milo Bailey and Roger Andrews last week. The guys took off for a couple of days to Long Lake Wisconsin where the fishing was okay and the mosquitoes were super.

Bob and Shirley Jensen just

returned from 3 marvelous weeks on the Oregon Coast. They spent two days visiting with former Antiochites Marge and Dr. Richard Ripley in Portland Oregon. The Ripley Family sends greetings to all their old friends here.

As soon as they were back, Wendy Jensen was off to Walter Reed Medical Center in Washington D.C. to spend a month in the Physical Therapy Practicum sponsored by the U.S. Army. In the fall Wendy will begin student teaching in Physical Education. Busy Gal!!

Don't forget the Little League Pancake Breakfast is this Saturday, July 15 from 7 a.m. til 1:30 at the Methodist Church. Tickets will be sold at the door.

Special belated birthday wishes to Maria Collins who celebrated her 23rd on July 9. Many happy returns to Elizabeth Ann Glenn and William Ernst on the 11th, to Julie Gutowski and that sweet little miss - Stacy Spittle on the 12th, to Michelle Scanlon on the 14th and to Ted Poulos on the 15th.

Anniversary greetings to Rose and Jack Sebesta who celebrate on the 14th.

See ya at the Pancake Breakfast - Keep Cool!!!

Annie Mae

By L. M. Woods
President
First National Bank of Antioch

The banking business is covered by more Federal laws and regulations than any other aspect of American business life. This is probably justified because no other type of business is so important to the well-being of its customers in that it is trusted with the funds of its community and is responsible for providing the credit necessary to assure the future of individual businesses and the town as a whole.

Each year in the Congress numerous proposals for changing the banking laws are put forward. Usually these bills are offered to give some group increased power to participate in the financial life of our nation.

This year bankers and others centered in the major cities—with the help of internationalists in the Treasury—plan to offer a measure that would in their words "reform" the financial system. What it really would do would assure that all important credit decisions would be made in New York, Chicago or San Francisco—or other big cities—rather than at the local level.

This so-called reform bill results from a study that originally was put forward to protect the biggest bank holding companies from possible restrictive legislation at a time when the Congress was angered over the high interest rates set by New York banks.

Although it is supposed to deal with the future credit needs of our country, this report failed even to mention agriculture and rural American in any of its long lists of areas requiring change.

Those of us in Antioch know of the growing credit problems of rural business men and of the vast needs for funds in areas such as ours. Yet this planned overhaul of the credit mechanism would ignore us completely. There are proposals to strengthen and expand corporate lending—making sure that the big companies in the major cities have enough credit—and proposals to allow a variety of new financing devices to divert funds into the stock market and other areas.

If the interests of our rural areas are to be met, then new techniques for financing must be found. One simple method proposed by the Independent Bankers Association of America—a group which represents the small town banks of our nation and to which the First National Bank belongs, would solve many of the problems now faced by rural areas.

The IBAA suggestion would simply add a section to last year's Community Development Act—which set up a program of Federal loan guarantees in rural areas. The section would allow the banks to market their insured loans, thus creating permanent, constant pools of funds to meet the credit needs of the nation's farmers, rural citizens and small businessmen. In addition this proposal would allow banks in communities like Antioch to deal with local community programs rather than forcing local government to seek high-cost financing in New York or other major cities.

Those of us at the First National Bank think the Congress would be better off making sure the legislation it passed last year will be effective rather than going off into some overhaul of the financial system that does not include any provision for the future of small town America.

THANK YOU ANTIOCH

We want to take this opportunity to announce the sale of the MERRY-GO-ROUND BAKERY to Mr. Fred Gardner of Elk Grove Village. We would also like to express our appreciation to our many friends and customers and present and past employees who helped make our business a success.

Mr. Ernest Brook and his son, Bill of the State Bank helped us get started 24 years ago and have remained good friends over the years.

Last but not least, thanks to Tom, Ed, Will and Jim Haley who were just a phone call away when we needed them.

It has been a privilege and a pleasure to serve the community of Antioch over the past 24 years.

Sincerely,
Harold and Alice Young

AUGUST IS FAMILY PORTRAIT MONTH

before they grow up and grow away from the family group...

KEEP THE FAMILY TOGETHER IN A PORTRAIT PHOTOGRAPH

Many families are returning home in August when summer courses, camps and vacations come to an end.

Since many children go away to school and the family may not be together again until the year-end holidays, this is an ideal time to plan family activities as a group—a time to get back-to-school wardrobes together and to have a contemporary, natural portrait taken of the family by a professional photographer. A color photographic portrait has marvelous gift-giving and home-decorating possibilities.

A family portrait takes only an afternoon. The best way to go about it is to call B-J Rush Studio at 395-5554, decide on an afternoon and make plans together.

You will want to decide whether the portrait should be indoors or out. Many suburban families prefer to have an environmental portrait photograph done on their property or in an attractive near-by location. For instance, your family can be photographed as

a group on the tennis court, ice-skating in an indoor rink or at a local park. Any of these create an appealing setting for an action portrait.

If the portrait is to be done in the studio, we will place the family into a warm, natural grouping, designed to look relaxed and happy, rather than formally posed.

Once the color portrait is complete, everyone can go over the proofs together to make an appropriate selection. A 16x20 print of this type of photographic art is especially attractive when placed over a sofa or fireplace as the focal point of a room. B-J Rush Studios can advise you about appropriate framing. A portrait photograph of your family can be used also as a warm personal Christmas card, or for birthday or anniversary gifts for family members.

For a special surprise when the portrait prints are ordered, give Dad a large family portrait for his office with a tailored leather or suede frame—or save it and let Santa put it under the tree.

FEDERAL GRANT — CONTINUED

considering denying the grant. The reason for this consideration was due to the fact that Fox Lake had filed a Regional Waste Plan and the Lake County Public Works Department had endorsed that plan. The Fox Lake Sewage Plan called for a county wide sewer system and stated that Antioch would be connected into it by 1975.

At that time Mayor Raymond Toft and the Village officials set about convincing the State that their timing was off, and that Antioch would probably not be hooked up with the regional system until 1980 at best.

During the last week of January, the Environmental Protection Agency (EPA) told officials from Antioch that they were reluctant to give their permission for the expansion because they felt that if Antioch spent a large amount of money on a new system, they would be reluctant to hook into a County system. After some discussion on the subject of the reality of the County's proposed timetable, the EPA agreed that they would give their consent if Antioch was willing to decrease the size and the cost of their expansion. Antioch was then required to cut back their expansion from 7,500 persons to

5,000, which they did and the revised plans were submitted.

In April of this year the Northern Illinois Planning Commission (NIPC) questioned the tertiary filters included in the plans and requested that they be eliminated. After much discussion NIPC voted to support the feelings of the EPA, which favored the filters.

Faced with one road block after another, the Village elected to advertise for bids for the expansion and to go ahead on their own, even if they did not receive the Federal Grant.

The need for the new plant has been deemed by most as a very critical one. According to Tod Maplethorpe, who is the Superintendent of Public Works, the present sewage plant is now at 116 percent capacity. The present system can handle up to a half million gallons, which is comparable to serving 5,000 people based on 100 gallons per person per day. Maplethorpe also pointed out that Antioch's fairly heavy industrial load takes up some of its capacity. The expansion will double the capacity of the plant, allowing the Village to support more industrial or commercial projects, or to annex surrounding territory for residential construction.

APPLY NOW FOR GRANTS UNDER BEO

"Now is the time for prospective college students to apply for grants under the Basic Educational Opportunity Grant Program (BEO)," according to Sam Mazman, College of Lake County financial aids director. BEO is a Federal aid program designed to provide financial assistance to those who need it to attend post-high school educational institutions.

Mazman said that a student is

eligible for a grant if he meets three basic requirements: (1) He plans to enroll for the first time in a post-high school program at an eligible college, university, vocational or technical school. (2) He will be attending school on a full-time basis. (3) He is a U.S. citizen.

"The maximum award a student could receive under this program is \$1400 minus the amount he and his family are expected to contribute toward the cost of his education," Mazman said.

For further information, interested individuals may write Mazman, at the College of Lake County, 19351 W. Washington Street, Grayslake, or call the college 223-8193, extension 14. Application blanks may be obtained at CLC.

ACTION

AWARDS \$4,069

ACTION, the citizens service corps, has awarded \$41,069 to the United Way of Lake County, Inc. to operate a Retired Senior Volunteer Program (RSVP).

The grant to the private, non-profit agency at 331 N. Genesee St., Waukegan, Ill. was announced in Washington today by ACTION Director Mike Balzano.

The one-year grant will enable the agency to start a county-wide RSVP, placing 225 Senior Volunteers in service the first year, and as many as 1,125 in the next five. More than 11 percent of the county is age 60 and over.

RSVP is a national program to develop significant volunteer service in local communities for men and women age 60 and over.

The RSVP will place volunteers with cooperating public and private service agencies. Senior Volunteers may serve with an association for the blind, a children's home and the state department of children and family services. Volunteers also may be placed with a counseling program for adult probationers, a recreational center for servicemen and the Red Cross.

RSVP volunteers serve without compensation, although they may be reimbursed for such costs as transportation.

American Legion Auxiliary

Heading a delegation of over 100 members of the 10th District American Legion Auxiliary to the 53rd annual state convention to be held at the Pick Congress Hotel in Chicago, July 19, 20, 21 and 22, 1973; will be Mrs. Ray Rathmann, Antioch, 2nd Division President; Mrs. Everett Ainsworth, Lake Forest, 10th District President; and Mrs. Norman Holt, North Chicago, District President-Elect. The State President, Mrs. Victor W. Lello of Chicago, will preside at all sessions.

A dramatic and colorful procession of American flags and Auxiliary colors opens the first convention session, Thursday, July 19th. Many distinguished guests bring "greetings", including the Honorable Richard Daley, Mayor of Chicago; and representatives from other women's military organizations. The remainder of the day is devoted to committee reports.

Thursday evening, the past president's parley dinner party will be held in the Gold Room of the Pick Congress. The Department Past President's Parley Chairman, Mrs. Firman Henricks of Cerro Gordo, is in charge of this event. There will be a delicious dinner, entertainment, and \$500.00 nurses' scholarships will be presented to eligible high school graduates on this important occasion, with parley business also being conducted.

Friday, July 20th, has much on the agenda, beginning with

GUESS THE PRICE OF THE DIAMOND

Hahn Jewelers of Antioch has a special .25 carat diamond in their front window. If you can guess the exact price of the diamond, it's yours. Be sure to make your guess before July 13th. The slip showing the value will be held by the First National Bank of Antioch and the drawing will be made by a Bank Officer.

Use coupon in paper on page 9 or get a coupon in the store.

more committee reports. That morning, Mrs. Edward Jahneke Antioch, will be presenting the Department Publicity Press Book, which she has compiled, to State President Mrs. Lello. Mrs. Jahneke will also participate in the state memorial service, held as the last feature of the Friday morning session. All convention proceedings are held in the grand ballroom, unless otherwise designated.

A Gold Star luncheon at noon, Honoring Gold Star mothers, widows, daughters and sisters, and gold star chairmen on all levels, will take place in the Gold Room. Every effort has been made to make this an enjoyable event.

From noon to 6:00 p.m., election machines will be available for the 1,500 delegates to vote for the incoming state officers. Mrs. William Stringer of Oak Park is the unopposed candidate for state president.

Friday afternoon, there will be a class in parliamentary procedure and the state music contests will be held - time and place to be told at a later date.

A Rehabilitation Service

Forum will take place Friday evening when hundreds of legionnaire and Auxiliary members will be honored for their many thousands of hours of dedicated, volunteer service to the hospitalized veteran. Patients from Hines VA Hospital will give their usual fine performance, which is always in popular demand.

A highlight of Saturday's morning session will be the address of Mrs. T. C. Chilton of Arizona, National President. That afternoon, the installation of the newly elected state officers will be held.

A convention dinner honoring the National president and all unit members will be at the Great Hall, Saturday evening. This Banquet should be a most pleasurable climax to a successful convention.

A huge, three hour parade with resplendent drum and bugle corps, bands, floats, marching units of legionnaires, Auxiliary members, army, navy, marine and air force units will start down Michigan Boulevard at 1:00 p.m., thus concluding the convention.

DR. A'S MINI-TALES

The Three Elephants

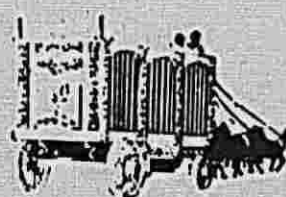

Once there were three elephants: a big elephant, a middle-sized elephant, and a tiny one no bigger than your thumb. The big elephant said, "Let's have a race." All the animals of the forest gathered round to watch. The big elephant ran as fast as the wind. The middle-sized elephant could not keep up. The littlest elephant hopped on a little bird's back, and he flew to the finish line first. The big elephant roared angrily, "I will build the highest mound." He piled huge boulders on top of each other and sat on top. The middle-sized elephant could not move such big rocks. The littlest elephant picked up a pebble the size of a pea and carried it to the top of a high hill. Sitting on it, he was higher than anyone. "I will make the loudest noise ever heard!" thundered the big elephant. And he roared so loud that the ground shook and the trees swayed. The

middle-sized elephant's roar only made a single leaf flutter. The littlest elephant blew a pebble from his trunk into a hornet's nest. The angry hornets buzzed out and stung all the animals. They screamed and roared and made the loudest noise ever heard. The littlest elephant won again. The big elephant was so angry he left the forest and never came back.

(L to R) Mike Gutowski and Mark Andrews wash the Village Trucks as one of their many jobs working for the Village. There is a third member to their group, Doug Lindom, who was busy cutting grass when this photo was taken. (Staff Photo)

VILLAGE HANDYMEN

The Village of Antioch has been graced this summer with three energetic handy men. They are Mike Gutowski, Mark Andrews, and Doug Lindom, and all of them will be Seniors at the Antioch Community High School.

The nicest part about the job is that the boys do not get tired with the same every day routine. There is something new to do everyday. One day they might be filling up holes in the street and the next day they find themselves busy cutting down weeds. The day that the Antioch News spoke with them, they were busy washing the Village trucks, not to mention that they have also spent days picking up garbage in Antioch and shoveling sludge from the beds. Superintendent of Public Works, Tod Mapletorpe, is their employer and he keeps them hopping.

All of the boys said that they particularly like working outside. Mark Andrews worked as a janitor during the summer school session at the grade school last summer, but said he likes this job better for two reasons. He said that the guys are fun to work with and the pay is much better.

Their job while diversified is

a steady one. They work a regular week from 7:30 a.m. until 4:00 p.m. When asked why they start so early the boys said that they didn't know.

Both Mark and Mike have been busy playing basketball in their spare time. Both boys are on the High School Varsity team. Doug has been keeping busy too and has been enjoying his motorcycle these nice summer days.

MRS. FRANK A. ZIEGLER

Mrs. Frank A. Ziegler (Nee Jennie Willett) will be feted at an Open House in honor of her 75th Birthday on Sunday, July 22 at Immanuel Lutheran Church, DeKalb, from 2 to 4 p.m.

The former Miss Willett Graduated from Antioch High School in 1917, and taught at both Antioch Grade School and Gavin School in Ingleside until 1925 when she moved to DeKalb.

She would enjoy hearing from old friends and now resides at 905 South Seventh Street, DeKalb, Illinois 60115.

Summer is really here, isn't it? Did you remember that at this time last year we had days of 50 degree weather.

Many birthdays were celebrated in June - among them, Nicole Larson on June 11 and her brother Brad on June 18. On June 21 Jill Harland celebrated her 9th birthday with supper and a slumber party in the family camper afterwards, with six of her friends. Helping Jill celebrate were Susan Lemke, Wendy Conklin, Eileen Irmen, Dawn Behrens, Marcy Smith and Robin Williamark.

Mr. Jim Larson and Mr. Paul Epner took five 7th grade science students to Boyd's Mason Lake Resort in Fiefeld, Wisconsin for 5 days of fishing, swimming and fun. While there Brad Larson had the thrill of his young life by catching a 33 inch Muskie. Mr. Epner, who is a science teacher at the Upper Grade School liked the resort so much he plans to return with his wife in August. In his opinion Boyd's resort is fantastic.

Be sure to stop by our areas's new A and W Root Beer Stand this Thursday and Friday for the grand opening. New owners Al and Marcy Capaccio along with their 11 year old twins Mike and Denise are eager to say hello to everyone. The Capaccio's are former residents of Chicago and are now making their home in our community. I can say first hand that the food is very good, and it sure beats heating up your own kitchen.

Bill Harland, Dick Whitton and Bobby Gossman returned home Friday after spending a week at the University of Wisconsin, Platteville attending a wrestling camp. While there, Bill spotted a tornado which very luckily did not touch down in that area.

Six Flags, St. Louis, Mo. must be the vacation spot this summer, as more of our residents can attest to. Dorothy Enzenbacher and children and Eric and Lorraine Lemke and family recently returned from there as did Bob and Judy Gossman and family. They cannot praise enough, Six Flags, the great camp grounds and all the other interesting

sites to see in the St. Louis area.

Julie Portalski was the guest of honor at a surprise birthday party last Saturday nite at Paty's Lounge. It was the biggest and most well kept surprise of Julie's life. The party was well planned by her husband Jim and sisters Kris and Cindy Libert and sister-in-law Ceanna Portalski.

Don and Barb Bjork and family spent the 4th of July week camping at the Dells and visiting the John Runyard Family at their cabin in northern Wisconsin.

Also returning from a week of camping in southern Illinois were Wayne and Dolly Bobo.

What started out looking like a stormy 4th of July turned out to be a lovely day for a cook out for 35 relatives and friends at the Joe Gutowski home, followed by the fireworks display at Wilmot Wisconsin.

Let me know the news,
Louise

TRAUMA CENTER RECEIVES NEW LAB EQUIPMENT

A sophisticated new blood gas analyzer has been installed in the biochemistry laboratory of St. Therese Hospital. A second instrument is planned.

According to hospital biochemist, Dr. Joseph Karinattu, the recent addition to the laboratory reduces the amount of time required to process blood testing for acid base balance and blood gas studies from 15 minutes to less than three minutes, a major aid to diagnosis and early treatment for patients.

Included with the installation of the analyzer was a teaching aid; a cassette of slide and tapes enabling technicians to be trained quickly in the operation of the analyzer.

The gas analyzer will take its place among other diagnostic equipment available to patients brought to the St. Therese Trauma Center.

ICE CREAM SOCIAL IN RUSSELL

An Ice Cream Social will be part of Russell's 100 year celebration on July 15th from 2-4 p.m. in the Russell Community Church basement.

Barb Murrie is in charge and several other gals will be lending a hand. Sodas, sundaes and homemade cake and coffee will be on the menu. There is no set charge for the goodies, a free will donation to the church

will be asked. Dr. James E. Kurtz, minister of the church is also celebrating his first year anniversary in Russell this month.

On August 4th and 5th Russell will hold its Centennial Culmination Days. There will be a dance, a beard growing contest, horse races and many other exciting events. Be sure to keep these days in mind.

HOMETOWN NEWS

PAMELA HUNLEY MEMBER OF ILLINOIS WESLEYAN UNIVERSITY SUMMER THEATRE COMPANY

Pamela Hunley, daughter of Mr. and Mrs. Joseph V. Hunley of Rural Route 2, Antioch, is a member of the Illinois Wesleyan University Summer Theatre Company for the first time.

A sophomore drama major at Wesleyan, she appeared in the Children's Theatre in January. She also has assisted on the technical staff as an assistant to the costume designer.

During the summer theatre season, she will appear in choruses and will continue as a member of the technical staff.

She has gained valuable theatre experience in Antioch with numerous appearances in the Palette, Masque and Lyre Theatre.

Miss Hunley is a 1972 graduate of Antioch High School and is a member of the Church of the Holy Family.

Wesleyan's Summer Theatre

season includes "The Apple Tree," June 21-30; "Hay Fever," July 6-14; and "A Funny Thing Happened on the Way to the Forum," July 20-28.

NAME WINNERS IN COUNTY 4-H PUBLIC SPEAKING CONTEST

Lake County will have two representatives entered in the Illinois State 4-H Public Speaking Contest at the State Fair in Springfield this August. These winners from the twelve and over division are Lisa Hollensteiner, member of the Barrington Flynn Valley Club, Barrington, and Art Scottberg, member of the Chain-O-Lakes Club, Lake Villa. The top boy and girl county winners will each receive a gold-filled medal to be presented by the Pure Oil Company of Palatine, donor of prizes and awards in public speaking.

The first alternate speaker was Eileen Regner from the Volo Busy Bees, Round Lake, Robin Walker was the second alternate, member of the Williwaws, Libertyville. In addition, Krisellen Lang, member of the Barrington Flynn Valley Club, Barrington, will receive a trophy for being the winner of the eleven-year and under division.

The names of blue ribbon winners in addition to the above are: Wendy Coleman, member of the Howe Club, Zion, and Cindy Russell from the Volo Busy Bees, Round Lake. The judge of the contest held on June 27 was Mr. Richard Aumuller, former Wheeling Jaycees Public Speaking member.

Public speaking is only one of the many educational activities available to 4-H'ers. For more information about 4-H clubs, contact the Lake County Extension Office, P.O. Box 306, Grayslake, Illinois 60030, or visit the 4-H Building at the Lake County Fairgrounds during the 1973 Lake County Fair, July 25-29.

Diplomas for a record 5,336 June graduates of the University of Illinois at Urbana-Champaign will be mailed to recipients about mid-August. The total includes 4,197 undergraduate and professional degrees and 1,139 advanced degrees.

Although Commencement exercises were held June 9, preparation of diplomas is begun only after all grades are reported and verified.

Among those to receive

degrees were:

Bonnie R. Bobzien, 525 Winsor Drive, Antioch-Bachelor of Arts; Judith K. Hevrdejs, Route 2 Box 458, Antioch-Bachelor of Science; Charles T. Griesemer, 1075 Nathan Hale, Lake Villa-Bachelor of Science; Elizabeth A. Moore, 734 N. Route 59, Lake Villa-Bachelor of Science; Thomas J. Nickerson, 69 E. Grand Avenue, Lake Villa-Bachelor of Science and Denis J. Pleviak, 209 Cedar Avenue, Lake Villa-Bachelor of Science.

EVE JANUARY HONORED AT ROCKFORD COLLEGE

Two hundred and eleven Rockford (Ill.) College students received honors during the spring semester according to Dr. Gordon Wesner, vice president and dean of the college.

The honors list is divided into two categories. The Distinguished Scholars list includes full-time students who earned a grade point average of at least 3.75 out of a possible 4.00 with no grades below "C". The Dean's List names full-time students who have earned a grade point

of at least 3.25 with no grades below a "C".

Rockford is a four-year, coeducational, liberal arts college with a student body of 731.

Earning honors from our area was:

Eve January, a sophomore, daughter of Mr. and Mrs. E. L. January, Route 2, Box 29, Antioch, who was named to the Dean's List. Miss January was also elected secretary of next year's junior class in balloting this spring.

20 GRADUATE AT PLUMBING APPRENTICE COMMENCEMENT

Apprentice school diplomas and Certificates of Completion of the five year plumbing apprentice program were presented to 20 graduates at the annual Plumbing Apprentice Commencement Exercises at the Swedish Glee Club, Waukegan, June 29.

Diplomas were presented by Don Ariano, of Ravinia Plumbing and Heating Co., Highland Park, and Chairman of the Joint Apprenticeship Committee of the Plumbing and Heating Industry of Lake and McHenry Counties.

Certificates of Completion of the prescribed apprentice program were presented by Charles Corcoran, of the Bureau of Apprenticeship and Training, U.S. Department of Labor.

Special awards were presented to Donald Hertel, of Grayslake, who represented the local program in the annual Illinois State Piping Trades Apprenticeship Contest held in Champaign in May.

Hertel was presented a watch

by Ariano on behalf of the Joint Apprenticeship Committee and a U.S. Savings Bond by S. Jack Shull, of Shull Plumbing Co., Libertyville, on behalf of the Industry Advancement Fund of the Plumbing & Heating Contractors Assn. of Lake and McHenry Counties.

A special plaque in recognition of long and meritorious service to the industry by James DiPietro, of DiPietro Plumbing Co., Deerfield, as JAC Chairman for 14 years was presented by Michael Jaworsky, of Jaworco Inc., Fox River Grove and President of the Plumbing and Heating Contractors Association of Lake and McHenry Counties, and accepted on DiPietro's behalf by Ariano.

Special guests at the dinner included the officers and Executive Board of Plumbers Union Local 93 (UA); officers of the Plumbing & Heating Contractors Assn. and members of the Joint Apprenticeship

TEMPTING TEEN TASTES

"Tempting Teen Tastes" was the theme of the cooking demonstration attended by nearly 200 Lake County 4-H Club members at North Shore Gas Company's Hospitality House on June 26.

The 4-H'ers watched and listened as North Shore home economist Cynthia Raney showed them how to prepare a variety of easy-to-fix summer-time recipes.

Miss Raney opened the cooking show by preparing Skillet Enchiladas. Then came Syrian Bread (hollow circular breads, 8 to 9-inches in diameter) with a hot tuna filling.

Other dishes feature were Hamburger Surprises (cheese and tomato slices encased within twin ground beef patties); Divine Lime Pie (a chilled lemon-lime desert); and Confetti Coleslaw (a shredded cabbage and carrot salad topped with a tangy dressing).

Following the one hour cooking demonstration the youngsters were served refreshments.

Each year, the gas company's home economics department hosts members of Lake County 4-H Clubs. The programs help the 4-H'ers fulfill part of their Club requirements by giving them cooking demonstrations.

In addition to special cooking programs, North Shore's home economists are available to help solve cooking and laundry problems which homemakers might encounter. Using an extensive file of recipes and cooking and laundering tips, the home economists can answer most questions quickly, over the phone. This service is available, from 8:30 a.m.-5 p.m., Monday through Friday by dialing the local number for North Shore Gas.

North Shore Gas serves some 80,000 residential, commercial and industrial customers in 46 communities in northeastern Illinois—from Winnetka in Cook County, north to the Illinois-Wisconsin line and west through Grayslake in Lake County.

committee.

The Invocation and Benediction were pronounced by the Rev. John Quinn Corcoran, pastor of Immaculate Conception Church, Waukegan.

Among the graduates were: R. Diemer, Antioch; W. Schneider, Antioch; and M. Yolich, Lake Villa.

PEDERSEN — SCUFFMAN

On Friday, June 22, 1973 at 6:00 p.m., Deborah Scuffham of Kenosha, Wisconsin, became the bride of Dale A. Pedersen of Antioch, Illinois. Deborah is the daughter of Mr. Leroy Scuffham of Fort Lupton, Colorado and Dale is the son of Mr. and Mrs. Alfred P. Pedersen of Antioch, Illinois.

The double ring ceremony was held at St. Peters Church in Antioch, Illinois and was performed by Rev. Eugene L. Keusal.

The bride wore a white floor

length lace gown with a floor length veil. She was attended by Susan Brown-Maid of Honor, Janie Toms, Cindy Lazarescu, and Patricia Boycé. The best man was Dean A. Pedersen and Brian L. Pedersen, Paul Roelli and Carl Vogeler were ushers. Lisa Weis was the flower girl and James Kerley was the ring bearer.

A reception was held at the Bristol Oaks Country Club with a honeymoon trip to Hawaii afterwards.

ANTIOCH WELCOME WAGON NEWCOMERS CLUB

The Antioch Welcome Wagon Newcomers Club will have a booth at the Arts, Crafts and Antiques Fair July 21st. Arts, crafts and white elephant items needed; also volunteers to work in the booth. Contact Jenny Franchick 395-5670 for more information.

The next arts and crafts meeting will be held July 17 at 9:30 a.m. at the home of Betty Baker 395-3650. Projects to be

sold at the art fair will be finished.

Bridge is scheduled for Wednesday, July 11, at 12:30 p.m. at the home of Nancy Mancuso 395-6571. New players are most welcome.

The next general meeting will be a dinner-theater party (PM&L Three Penny Opera) August 4. More details to follow at a later date.

SO-CI'E-TY

n.: pl. TIES. (L. societas fr. socius a companion; cf. F. societe. See SOCIAL) the relationship of men associated in any way to one another: companionship; fellowship; connection; participation.

Mack the Knife (Jim Nutter) and Polley Peachum (Rita Rosol), his new wife share an intimate moment in "Threepenny Opera." (Staff Photo)

THREEPENNY OPENING SOON

"The Threepenny Opera", one of the great musical productions of all time, will open soon at the PM&L Theatre, 877 Main Street, Antioch. Play dates are July 21, 27, 28, and August 3 and 4. Curtain time is 8:30 p.m.

Kurt Weill, the composer of the music of 3PO, once said, "I write for today. I don't give a damn about posterity." Yet the work is timeless, principally for two reasons. One is its theme; the other is its music.

It is a major indictment of society in all times and places that the theme of "The Threepenny Opera" should be timeless. PO is a timely and up-to-date commentary on any time or place where men and women live in poverty, degradation, demoralization, and alienation. Thus is "The Beggar's Opera" of the 18th century England; England revisited, a century later, in the time of Queen Victoria; or "Die Dreigroschenoper" of pre-Nazi Germany, capturing the demoralization and poverty of the 1920's. Wherever such suffering exists, there is the land of the 3PO; to render its theme meaningless, irrelevant, or passe is a worthy goal indeed for mankind.

Kurt Weill's music has been called a variety of names—"exotic", "jazzy", and "foreign" are only a few of them. His celebrated widow, Lotte Lenya, who played the part of Jenny in the original New York produc-

tion, objected to the music being called the "new sound" because as she said, "corruption and poverty don't go out of fashion". For the most part, the songs of 3PO are simple songs expressing the chief sentiments and emotions of disaffection. Some numbers, like the "Morning Anthem", the "Wedding Song", or "The Ballad of the Easy Life", are songs of cynicism. Others, like "The Ballad of Mack the Knife" or the "Love Song", are songs of beauty. Still others like "Pirate Jenny", "Army Song", and "The World is Mean" sing of brutality and such numbers as the "Call from the Grave" and "Death Message" are songs of desparation.

In short, 3PO is for and about all people who have suffered, in all times and in all places. Call 395-9702 for reservations.

THANK—YOU

I want to thank all my friends and relatives and children for all the card and flowers, supper and cookouts. This all was to make my 84th July 3rd Birthday a very happy day. Thank you all.

LIONS CLUB ANNUAL CHICKEN BAR-B-QUE

(see photo on page 21)

The Antioch Lions club Annual Farmer's Picnic Chicken Bar-B-Que and Auction, scheduled for Sunday, August 5th, at the Antioch Aqua Center, promises to be a bigger and better event than ever. The affair will be held from 11 a.m. to 6 p.m. and a rain date set for August 12th.

This year, in recognition of the vital services of the Antioch Rescue Squad, Jack Fields, chairman of the Auction Committee, announces that all of the proceeds from the Lions Club Auction will be donated to the Antioch Rescue Squad. The farmer's auction, directed by Herman Behm, is an exciting event featuring a variety of items. Anyone interested in donating items in good saleable condition may call the Antioch Village office at 395-1000. Jim Fields, captain of the Rescue Squad and co-chairman of the Auction committee suggests such items as sporting goods, hardware, automobiles and automotive accessories, snowmobiles, boats, motors, lawn and garden equipment, sewing machines, tools, antiques and art objects and other items that may be of reasonable auction value.

Charcoal broiled and butter basted chickens will be served for \$2.00 per plate. In addition to good eating, those attending are assured of fun and excitement with a schedule of events that include the Antioch Swim Team Invitational Meet, Farmer's Auction, Children's Egg Catching and Sack Races, Children's Chicken Catching and Money in the Hay, Children's Wheelbarrow Relay and Leapfrog Relay, Children's Balloon Throwing and 3 Legged Races. Tickets can be purchased from Antioch Lions Club members, State Bank of Antioch, First National Bank of Antioch and Antioch Savings & Loan, or on the premises.

Committee chairmen planning and organizing this huge community affair are: Art Meierdick, Chairman and Robert Geske, Co-Chairman; Pres Reckers and Richard Daniel, Tickets and Publicity; Robert Geske and Art Meierdick, starting fires; Bob Lindquist and Bob Lasco, Serving and cooking (10 a.m. to 2 p.m.); Earl Stringer and Theodore Costoff, Serving and cooking 2 p.m. until 7; Tom Haley and Don Walsh, Special attractions; John Fields and Jim Fields, Auction; James Olson and Hillard Tobieski, Corn Sales; David Bushing and Bill Yucus, Beverages; Ken Torkelson and Irv Butchta, Table Setup; Don Blackman and Lewis Simon, Cleanup.

Set this day aside for family fun and take advantage of the opportunity to increase your community's support of the Antioch Rescue Squad.

THANK—YOU

I would like to thank my neighbors, friends and family for gifts, cards and flowers during my stay in McHenry Hospital.

WAUKEGAN — ZION — AREA BUSINESS SALUTE

Gantor Shoe Store

Here is a store that meets the demand of modern day buyers. You will find here the popular style shoes of today as well as the more conventional styles.

Whether we are comfortable depends a great deal on our shoes. If they fit and wear well, we're always at ease in them.

Regardless of the shape of your foot, long and narrow, short and wide, high or low arches, Gantor Shoe Store has the shoe to fit your foot—a shoe in the latest style and one that will give you long wear.

Take the shortest step in your life—stop in at the Gantor Shoe Store for your next pair of shoes. This popular store is under the direction of experienced shoe management and much of the volume of business done may be attributed to the fact that they truly know the shoe business.

Remember the Gantor Shoe Store located at 705 10th in North Chicago. Phone 473-4770. It is a great pleasure to have this store close enough to make a habit of trading there.

OUTDOOR

SPORTSMAN

WAUKEGAN, INC.

Busy people of today realize it pays to play as well as to work. Sports have again taken their highly valued place in our living. The Outdoor Sportsman of Waukegan, Inc. is well stocked with goods that are so constantly in demand today. They carry everything in the camping, hunting and fishing line. Only the finest name brands are to be found in their stock because they know sportsmen want the best.

It can readily be seen that Outdoor Sportsman of Waukegan, Inc. is to be congratulated on their business ethics and also for their friendly service. They know their business and the proof is in the excellent selection of equipment they have to offer the public.

We heartily recommend you stop in at Outdoor Sportsman of Waukegan, Inc. located 1015 Belvidere in Waukegan. You are sure to find what you want and need to make your leisure hours more enjoyable. Phone 623-6455.

We in this 1973 Salute are proud to recommend them.

GORDON'S

AUTO PARTS

This firm is located at 1723 Belvidere in Waukegan. Phone MA 3-0740. They offer new parts and accessories, batteries, armatures, starters, electrical supplies, and feature a complete stock for your convenience. They cater to garage men, service stations, and individuals in our section.

By their efficient business methods and low overhead, they are able to supply you with parts at a great reduction in price. Buying here, you are assured of honest, courteous service. Folks in this section know they are always treated well when they select their parts at this first class establishment.

Make a list of your needs and the next time you are in Waukegan go to Gordon's and you will be surprised at their low prices. Every effort is made to have on hand those parts which are most in demand. If it is a common part for your auto, truck or tractor—be sure to see this firm first.

In this Salute we wish to recommend this firm and suggest you trade with them for any of your needs in this line.

They are also open on Sundays.

THE

MARATHON

For a meal that is delicious and a place that is friendly, go to The Marathon located at 1605 Washington Street in Waukegan. Phone 244-1999. Here you will find a wonderful atmosphere together with courteous service that you will like.

The Marathon features prime steaks, chops and seafood that are always cooked to suit you, served with vegetable, salad and dessert. If it is just a snack you want, you will find sandwiches, shakes and burgers here that are just the thing to remove that hungry feeling.

If you are the kind of person who wants the very best in food when you eat out, you will find the place to go is The Marathon. In this salute, we suggest you take your family out to The Marathon the next time you are in Waukegan and judge for yourself.

MOUNT OLIVET MEMORIAL PARK

Situated among beautiful surroundings, Mount Olivet Memorial Park is regarded as a dedication in itself to the beautification of the community.

In a great measure we are judged as to the extent of our love for those who have passed before us, by what we do in their commemoration. The first thing of consequence is the selection of the estate. In this section, when you select in Mount Olivet Memorial Park you have paid the deceased the highest tribute.

To build a memorial park for the rapidly growing community requires a large amount of capital and an aggressive organization to keep it up. This modern burial ground is one of permanent beauty that will endure throughout the ages. A special fund, to insure perpetual care, is set aside from the sale of every lot.

Every effort is made by Mount Olivet Memorial Park to soften the sorrow of the bereaved. Every precaution is taken to allow families to conduct burial services in conformity to their religious beliefs and family traditions.

There are many advantages in choosing the family memorial estate before the time of need. Beautiful Mount Olivet Memorial Park makes these advantages possible.

Mount Olivet Memorial Park is located at 1436 Kenosha Road in Zion, Illinois. Phone 872-5476.

MARY'S

STYLING HOUSE

Women of today are beautiful and young looking than ever, but who deserves the credit? founded for the purpose of preparing its students for an efficient business life and the fact that it has met with unusual success is seen in the large number of graduates.

Enroll now for a successful career. Stop in and talk to them, inquire about their extended payment plan or phone 662-5545 for all information.

We, in the salute, highly recommend Waukegan Business College as being an asset to the community. The policies and progressive operation of this college is to be commended. The college is located at 303 Washington Street in Waukegan.

JOHN A. KOTZ FURNISHINGS

John Ironside

Quality, service, integrity, variety, value, selection, friendliness—all these ingredients are necessary for customer's acceptance and patronage. John A. Kotz Furnishings fulfills these essential requirements. Their policy is one of keen and constant awareness of customer's changing needs by making available the finest in complete household furniture and brand name carpeting.

John A. Kotz located at 2781 Sheridan Road in Zion extends every effort to provide every possible merchandising service to assure complete satisfaction. Your continued patronage is a

reflection of their determination to assist you in making the best selection to match the decor, styling and personality of your home.

Decorator service is always available and you are cordially invited to browse around at your leisure.

"At John A. Kotz 'Customer Satisfaction' is more than a bywork, it's a concept in the operation of a business. Customer satisfaction is why this firm has flourished and grown and become a leader, not a follower, in the furniture business. See them for all your furniture and carpet needs.

They never have any sales, just one low price.

KARCHER HOTEL

John Collins

The Karcher Hotel is located at 405 Washington in Waukegan. Phone 662-6600 for reservations.

One of the things that has made America great is the ability of her businessmen to meet changing conditions to the needs of the demanding public. The motel industry, for example, is recognized today as a vital and necessary part of our American economy.

We wish to direct our readers attention to the Karcher Hotel which has accommodations to please even the most discriminating guest. Here you will find air-conditioned carpeted rooms, telephones in rooms, television—just to mention a few of the conveniences—and all within a reasonable price. Consequently, many travelers prefer to travel extra miles in order to enjoy the hospitality offered by The Karcher Hotel and thus insure themselves of a good nights rest in comfortable surroundings.

We recommend the people from our area stop at The Karcher Hotel the next time they are in Waukegan, and commend the management upon the excellence of the service.

SELF SCHEDULING INSTRUCTIONS AT HIGH SCHOOL

Self Scheduling by students will be done for the first time for the 73-74 school year. Matriculation will take place on August 20 through the 22nd on a sequence which was set by a drawing last Spring held in class assemblies. The mechanics of self scheduling were described to the student body by student volunteers who had devoted extra time themselves in learning thoroughly the details of self scheduling. To insure that all students will come to matriculation with confidence, further instruction in self scheduling will be available at the high school each Tuesday and Thursday at 8:30 a.m., in room 108. New students (transfers) as well as the incoming freshmen are invited to attend. Summer school busses will be running until August 3rd; students may use the bus service to come for this instruction.

Mueller School Of Beauty Culture

Harry J. Adolphs

Training men and women for success in the complete field of Beauty Cosmetology is the aim of Mueller School of Beauty Culture located at 18 S. Genesee in Waukegan.

We in this salute highly recommend this outstanding Beauty School to all of our readers.

FRANK'S CYCLE SALES

Hampton Golson

Have you noticed how many motorcycles are on the road today? Well if you haven't you probably haven't noticed anything. If you have, chances are you've thought of buying a motorcycle. Maybe you don't know what type would best be for you. At Frank's Cycle Sales located at 2466 Sheridan Road in Zion they will be glad to give you suggestions and all information concerning their bikes.

Motorcycles are being used from ranching to city transit for business men. They're practical in that they are inexpensive, easy to maintain, easy to park, tough and just plain fun.

Frank's Cycle Sales motorcycles offer many models from dirt to street models. They've stood the test of years through endurance runs and cross country racing.

To keep your motorcycle in top shape be sure to see Frank's Cycle Sales. They have one of the best motorcycle repair shops in the state with trained mechanics that will treat your bike as if it were their own.

Irene's Figurama Slenderizing

Irene Heinz

Are you happy with the shape that you are in? If not, why not let Irene's Figurama, located at 1431 Golf Road in Waukegan help you attain that figure that you will want to turn heads in admiration.

The President's physical fitness program, the doctor's warning about overweight, the "Glamour Gal" on tv, everywhere we turn, we are reminded to keep in shape or get in shape. And wouldn't it be nice to get back into that size you wore once.

Irene's Figurama is equipped with modern electrical equipment to help you reach the desired goal in figure importance. Come in and discuss the advantages of using their methods to get back into shape.

"Feel better, look better, and just be real pleased with yourself. They will be most happy to explain the program to you and you may choose from several plans.

We recommend to all readers of the salute that when in need of service, contact Irene's Figurama. Phone 623-0145 for information.

Two hundred 4-H club members listen attentively as Miss Cynthia Raney, home economist for North Shore Gas Company, begins a creative cooking show called "Tempting Teen Tastes." The program was presented especially for the youngsters to assist them in planning their own cooking demonstrations as part of their 4-H activities. The demonstration which featured a variety of easy-to-prepare summertime recipes, was held at North Shore's Hospitality House, 3001 Grand Avenue, Waukegan.

HUD HOUSING ADVISORS TO ASSIST FLOOD VICTIMS

The U.S. Department of Housing and Urban Development (HUD) Springfield, Illinois Disaster Field Office will put into effect immediately an advisory program for the people in the state of Illinois, who are currently receiving temporary housing assistance as a result of the recent disaster.

The people receiving assistance will be contacted by HUD Housing Advisors, whose function it will be to assist

families throughout the state, in their endeavors toward a return to their former dwellings or other permanent housing.

HUD in conjunction with its relocation and housing resources programs is developing a mobile home disposition procedure which may lead to the eventual sale of mobile homes to persons currently receiving temporary housing assistance.

ILLINOIS GENERAL ASSEMBLY PASSES LEGISLATION

The Illinois General Assembly has passed and sent to the governor legislation introduced by State Senator Karl Berning (R-Deerfield) to give senior citizens a tax break on municipal vehicle tags.

The bill would permit municipalities to set a lower purchase price for vehicle or license stickers for persons 65 and over.

Berning said, "Enactment of

this bill will be another step toward lessening the tax burden on our state's senior citizens. With most of the elderly living on fixed incomes, it is unfair to ask them to pay the same amount of taxes as those who are working."

He said he received a great deal of assistance in developing the tax relief measure from Willis Overholser, village attorney for Grayslake and Libertyville.

LEGAL

ORDINANCE NO. 73-7-13

AN ORDINANCE

PERTAINING TO FENCES BE IT ORDAINED BY THE PRESIDENT AND BOARD OF TRUSTEES OF THE VILLAGE OF ANTIOCH, ILLINOIS:

SECTION 1: DEFINITION. A fence is hereby defined as a structure forming a barrier at grade between lots, between a lot and a street or an alley, or between portions of a lot or lots, such structure being independent of any other.

SECTION 2: BARBED WIRE AND ELECTRIC FENCES. No owner, leasee, or person in possession of any lot or parcel of real estate within the Village of Antioch shall erect, maintain, or permit to be erected or maintained, along the line of, or in or upon, any such lot or parcel, a fence equipped with or having barbed wire spikes, or any similar device, or any electric charge sufficient to cause shock, within six (6) feet of the ground level.

SECTION 3: PENALTIES. Any person convicted of violating any of the provisions of this Ordinance or neglecting or refusing to comply with any of the provisions hereof, shall be fined no less than Twenty-five (\$25.00) Dollars, nor more than Five Hundred (\$500.00) Dollars, for each such offense. Each day a violation exists shall be considered a separate offense.

SECTION 4: PARTIAL INVALIDITY. If any provisions of

this Ordinance or the application to any person or circumstance is held invalid, such invalidity shall not affect other provisions or applications of this Ordinance, which can be given effect without the invalid portion or application, and to this end the provisions of this Ordinance are declared to be severable.

SECTION 5: RATIFICATION AND REPEAL. That except as heretofore amended and modified herein, the aforesaid Ordinance is hereby ratified and approved, but all parts of ordinances inconsistent herewith are hereby repealed.

SECTION 6: DATE WHEN EFFECTIVE. That this Ordinance shall be in full force and effect from and after its passage, approval and publication as required by law.

The foregoing Ordinance was adopted by a vote as follows:

AYES: 5
NAYS: 1
ABSENT: 0

A NEW PROCEDURE ANNOUNCED BY SECRETARY OF STATE

A new procedure informing drivers suspended in Illinois of their full rights in applying for a probationary permit has been announced by Michael J. Howlett, Secretary of State.

Drivers suspended for the first time of three moving traffic violations in a 12-month period now receive full details as to how they may apply for a probationary license. Only drivers whose violations do not total more than 62 points on the established point system will be eligible.

"We are opposed to favoring traffic violators but our traffic safety program entitles these drivers to probation consideration," Secretary Howlett said. "I believe that all should be treated fairly."

"Our program stresses help-

ing and educating drivers whenever possible and we believe that this new procedure will help our borderline drivers," he added.

Along with the official suspension notice, eligible drivers are now sent a package which will include a letter explaining the program and how to apply for a probationary permit. Also included will be a petition application and envelope to return to the Secretary of State's office.

Commercial drivers will also receive an affidavit form which must be filed with the petition.

If the probationary permit is approved, the driver will be notified of the date and place to attend a Driver Improvement Clinic, a requirement of probation.

FX TELEPHONE SERVICE

Veterans and their dependents will be as close to the Veterans Administration Regional Office at Chicago as their telephone, Joseph J. Mulone, Director of the Chicago Regional Office, announced today. The service begins September 11, 1973.

The number to call is 800 972-9140. Enter this number in the ready reference list of your telephone directory. Mulone urged. Through this new service, the number given will put caller directly through to the desk of a VA Benefits Counselor in the Regional Office. The calls are toll-free. Long distance toll is paid by the VA.

The service will be available to Antioch residents from 8:00 a.m. to 4:30 p.m., Monday through Friday. Mulone disclosed.

The VA Benefits Counselors provide information and assistance to veterans and their dependents in the VA programs of compensation and pension, vocational rehabilitation and education, insurance, medical care, GI loans and other VA benefits, as well as veterans benefits administered by other Federal agencies, Mulone concluded.

Stephen Williams of the Antioch United Methodist Church will officiate. Interment will be in Liberty Cemetery. Friends may call after 4:00 p.m. Tues. Memorials may be given to the Antioch United Methodist Church.

Christian Science

Jesus proved man's oneness to God when he healed the man sick of the palsy, as recorded in St. Matthew 9.

In the Lesson-Sermon entitled "God" this Sunday at First Church of Christ, Scientist this citation from Science and Health With Key To The Scriptures by Mary Baker Eddy will be read: "There is no power apart from God. Omnipotence has all-power, and to acknowledge any other power is to dishonor God."

Services at First Church of Christ, Science, BEACON HILL, Route 173 and Harden, Antioch, Illinois begin at 11 a.m. Children will be cared for.

MR. ROY E. JOHNSON-78 yrs. old of Indian Point near Antioch, Ill. passed away on Tuesday July 3rd at Victory Memorial Hospital. "Hindsight's Better Than Foresight"

by: Rev. Eugene Keusal

As you enter the Village of Antioch you are welcomed by a sign that says population 3200. The sign is an announcement giving witness to an already existing fact. The sign doesn't make the 3200 people exist but rather the 3200 make the sign exist.

Man's relationship with God is much the same way. Our relationship with God is expressed in signs peculiar to the Christian Community. These signs can be seen, heard, touched, tasted or smelled just as we do in our ordinary dealings with other people. God deals with us much the same way. He contacts us in the very ordinary way of one or more of our senses. If God wanted he could have established various other means of initiating and maintaining a relationship with man. He chose this way.

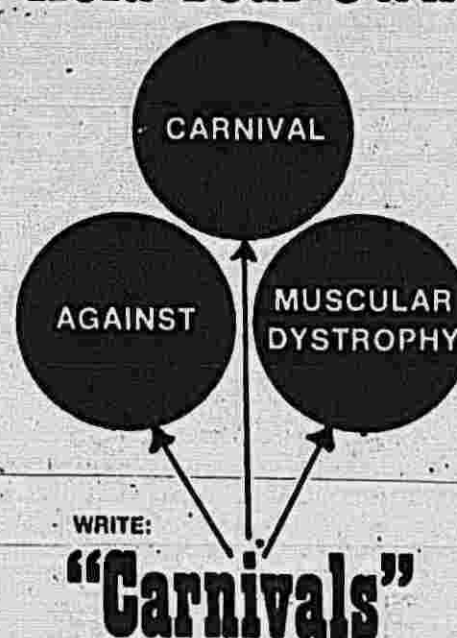

A sign tells you something. A red light tells you danger-stop. The sound of a bell tells you it's time for work or school. Language is a sign. Gifts are signs. A smile is a sign. Smoke is a sign. Again a sign tells you or someone else an already existing fact. If what the sign is telling doesn't exist the sign becomes a meaningless and empty form.

Signs are appropriately used by Christians as a means of intensifying their relationship with God. These signs are technically called sacraments and cover the gamut of life. The signs are not magic. The signs are not performed as tricks by a magician on stage. There must be a reality behind the sign. Otherwise the sign is as repulsive as the kiss of Judas in the Garden of Olives or the prayer of the pharisee in the temple.

BIBLE SCHOOL

Vacation Bible School will be held at St. Ignatius Episcopal Church, 983 Main Street Antioch from July 16-27. Classes are held daily from 9:30 a.m. to noon and children may register on July 16th or by calling 395-0652. The topic this year is "Tell the News-Share the Love" and classes are open to all children ages 4 through 10.

Also needed are lifeguards and cooks.

Apply immediately. For information call (414) 889-4606.

With a Stern Eye

The pause that refreshes... Five bosky days in the north woods spent sprawled on the dock or an inflated mattress in the lake, damp novel in hand—spent tucking into three regular and ample meals each day—spent sleeping nine or more hours each night under blankets. Heaven! Five days without a single significant thought passing between my ears.

I found when I got back this morning, that the office of County Clerk had perked along just fine without me. There is no telephone at our friends' Lodge and I wasn't even tempted to row and hike the distance to make contact with my deputies. If things were going badly I would know it soon enough.

Purchase orders had been processed without incident. The bids had been opened on our micro-film project, a subject of intense interest on us—and the decision remains unmade because the low bid company did not follow specifications. We shall be weighing and mulling and sorting and analyzing to decide whether we wish to make the changes called for by the lowest bidding non-specification company or—Tune in again for

the next chapter.

The bulletin board did appear to need attention however. My bulletin board—an I call it mine rather than 'the office bulletin board' because it is the one area where I permit my prejudices to have their head.

We are so prissy on the subject of neutrality that I do not even permit the employees of the Clerk's office to wear campaign buttons between 9 and 5. No indication of partisan involvement is permitted. (An exception might be pointed out in the herd of jackasses grazing on a low table in my office. And though I must acknowledge that that is indeed a sign of partisan involvement, I also add that the Democratic pasture is out of the public eye).

On the bulletin board I post whatever clippings appeal to my not-necessarily-political bias. For instance we have had a running series on the doings of that philanthropic organization: The Society to Abolish Pay Toilets in America. The day on which it was announced that the rest rooms at O'Hare Field would henceforth be free, I draped the bulletin board in red,

white and blue. I did not however, remember to remove all the old references to the battle. That I did this morning however.

There are articles on Death-with-Dignity policies—a subject I am interested in—and one on the crumbling properties of a Wisconsin County Courthouse. The full text of the White House Enemies List is posted. And that, I grant, is political. Some of us were stricken to find we'd been left off.

Whenever there is something in the paper about consolidating elections, I run to tack it up. We have included references to post-card registration because Voter Registration is our bag—the easier it is made, the better we like it.

All these things are of general interest I'm sure you'll agree, even though they may impinge on your personal convictions. That is the exhilarating purpose that bulletin board serves for me: it reflects the things I find important and I feel no obligation to include rebuttals.

The only thing is, it needs to be policed more often—pruned and replanted with ideas. Fresh from that splendid oasis in time, I shall start the task at once...

ACA OFFERS CANOEING INFORMATION

The American Canoe Association offers free of charge a "Bibliography of Canoeing Information and a 'monograph list'". The ACA has compiled into the bibliography the addresses of agencies and organizations that publish information of concern to the canoeist, i.e. maps, trip routes, campsites, etc.

The monographs are short

articles that provide technical information to the canoeist. Examples of these articles are: How to read fast water, How to organize a youth regatta, and Canoe Cookery I & II.

To receive copies of the bibliography and monograph list write to: American Canoe Association, Dept. MB, 6813 Valley View Drive, Downers Grove, Illinois 60515.

THANK—YOU

We wish to thank all of our dear friends who made our Golden Weddig Anniversary such a beautiful and happy occasion with cards, gifts and good wishes. We shall always treasure the lovely memories of that Golden Day.

Our special thanks to Father Johnson, our pastor, and Father Keusal associate of St. Peter's Church. An extra special thank you to Mr. Robert Moss who sang the Mass so beautifully and to Steven Keisler his accompanist on the organ, also to Richard Daniels who was commentator of the Mass—a perfect combination.

We are grateful to Babe and Ben Wagner for without them

we could not have had such a perfect reception. Babe, the organist, was delightful, while Ben served those refreshing coolers.

We are profoundly grateful to all and shall never forget our Golden Day.

Mr. and Mrs. Elmer J. Zimmerman

THANK — YOU

I wish to thank my friends and neighbors and the women of the Methodist Church for their thoughtfulness during my recent hospital stay—Shirley Glenn

THINGS YOU MAY NOT KNOW ABOUT CONSERVING ELECTRICITY.

How an attic fan can take some of the load off your air conditioning.

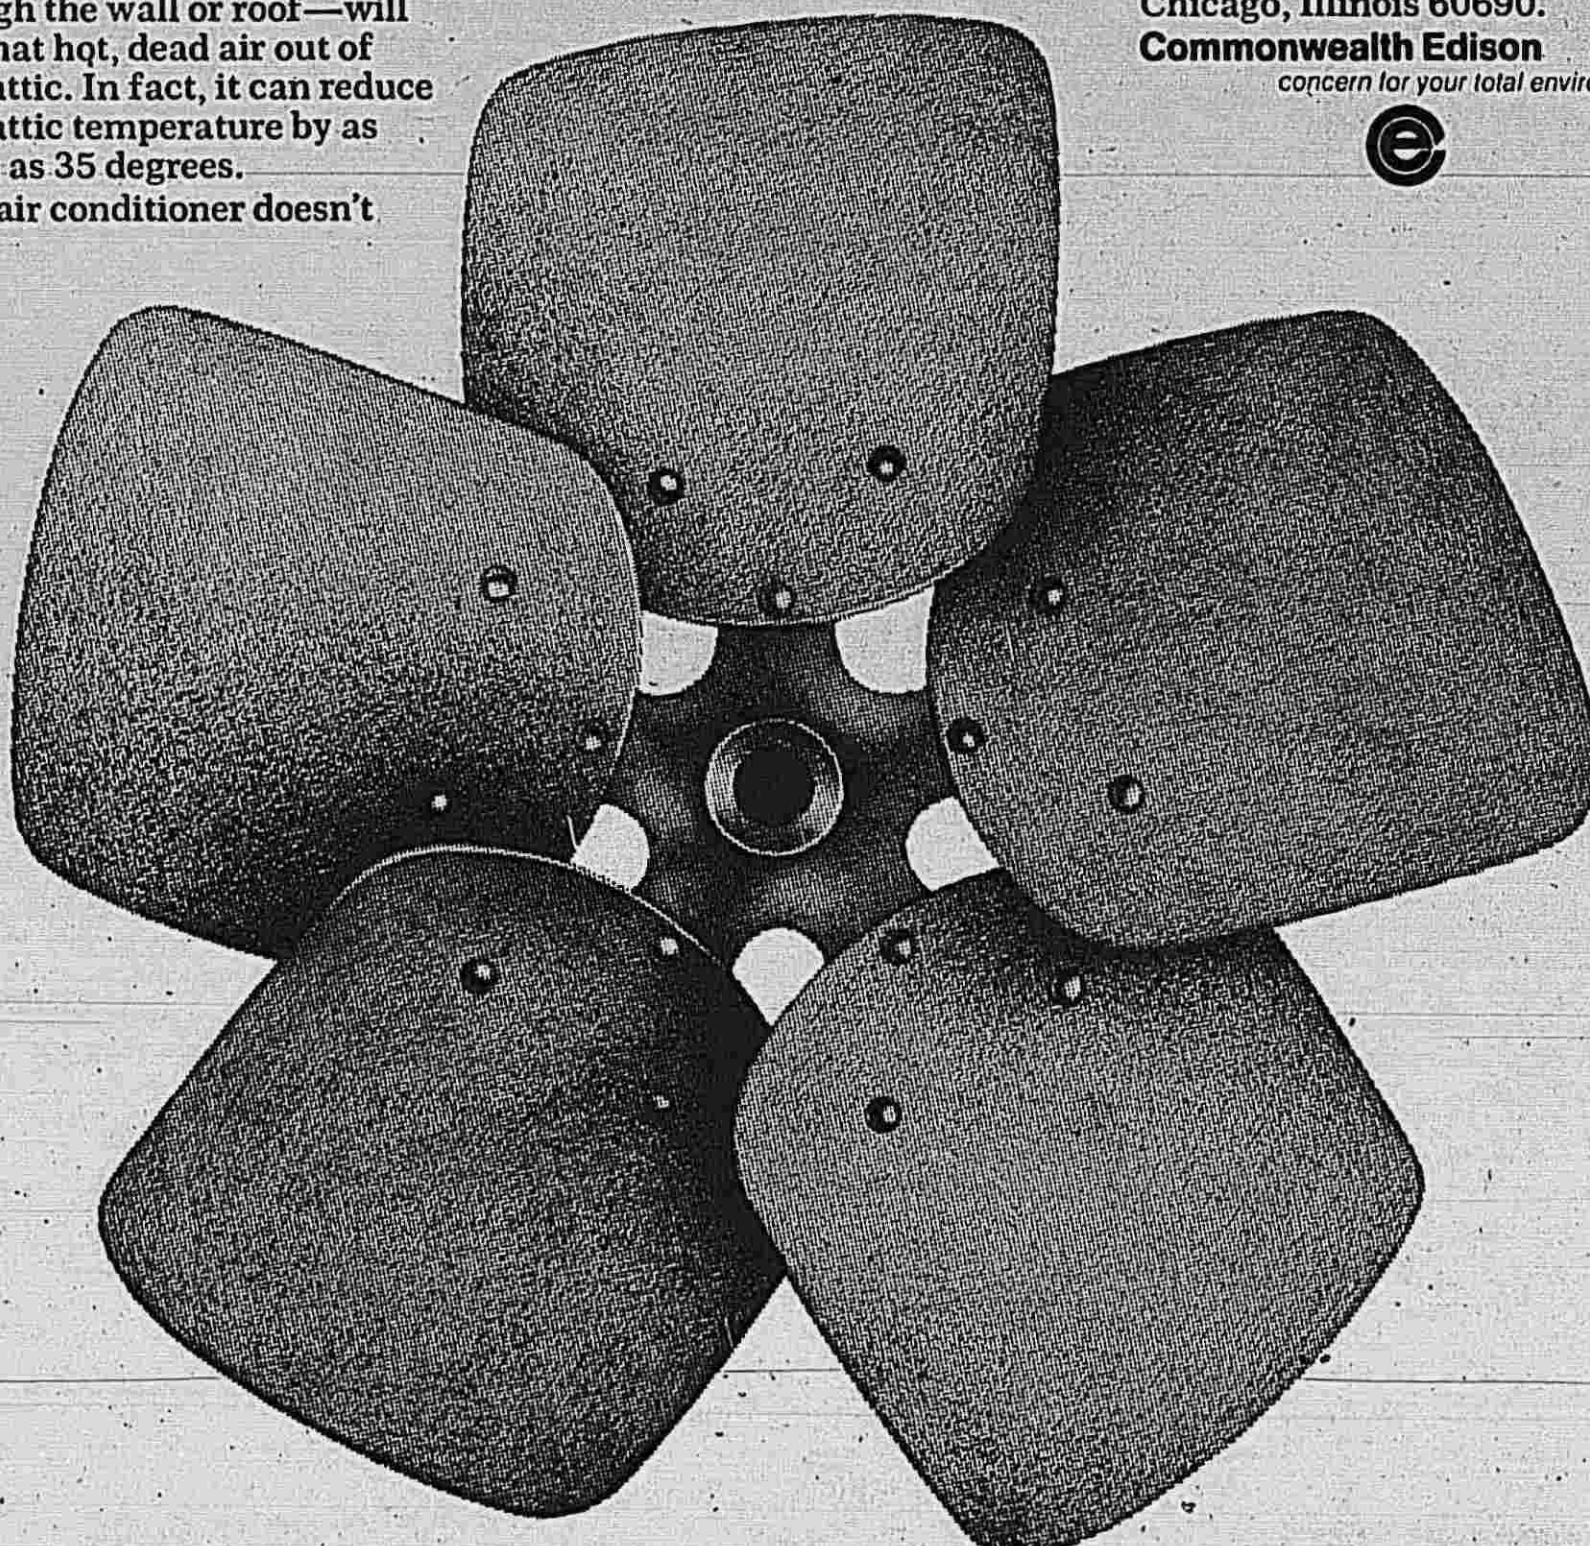

If you've ever been up in your attic on a summer day, you know how hot it gets. All that heat up there is what makes it so tough to cool the downstairs—even with air conditioning. Well, here's a hint: install an attic fan. An attic fan—whether it's at a window, gable vent or through the wall or roof—will pull that hot, dead air out of your attic. In fact, it can reduce your attic temperature by as much as 35 degrees. Your air conditioner doesn't

have to work nearly as hard when it isn't fighting a hot attic. It doesn't switch on as often or run as long. You're just as comfortable, yet you're saving money. With an attic fan, you can also reduce the amount of air conditioning equipment you need.

Contact your heating or air conditioning contractor for the attic fan installation that's best for your home. This hint is included in our booklet "101 Ways to Conserve Electricity at Home." For your free copy, write Commonwealth Edison, Department AV, P.O. Box 767, Chicago, Illinois 60690.

"TORK" TALKS

by: Tork Torkelson
SUSPENSIONS, RIDE AND HANDLING

The suspension systems of all Ford, Mercury and Lincoln cars are precisely engineered—custom-designed—to each individual car, to provide that particular model with the most durable and smoothest ride for the car's balance, footing, and distribution of weight.

As you might suspect, each car size, and each individual car, demands its own special suspension engineering. And that's why there's a difference in the types and dimension of springs (we use a computer to help us select them), the sizes and specifications of shock absorbers, the use of stabilizer bars, and the hardware that attaches the suspension system to car body, chassis and drive train.

Many models in most of the car lines offer optional suspension systems for several reasons and purposes.

**LYONS—RYAN
FORD MERCURY

No One Forgotten - continued

his 72nd birthday.

The church people have tried to show the Messersmith's just how much they are loved and respected. In the latter part of April the Mission Council meeting of their denomination of Churches met in Lake Zurich. To their surprise arrangements had been made for the entire choir of 20 of the Millburn Church to come and perform a concert of Rev. Messersmith's favorite hymns and anthems.

Another evening the original group of young people of Christian Endeavor met for a business meeting that was typical of the meeting many years ago. The entire 24 members met and reminisced with photos of parties and weddings he performed.

This spring and summer he has been "swamped" with weddings and has been asked to appear at many public functions. The 1973 Graduation at Antioch High School was another such occasion for a chance to honor this beloved man. He was awarded a plaque in appreciation for his many services to the school.

There have been problems, too, but they lie behind the Messersmiths now. Only one situation within the Millburn Congregational Church seems to cause Rev. Messersmith some slight concern.

"We're within a stone's throw of paying off the mortgage on the building. Hopefully, by the first of August of this year it will be paid for. And I've asked that when the time comes that they let me burn the mortgage. . . . That's my ambition!"

Does Rev. Messersmith see any problems facing the church as he leaves the active

ministry?

"In this changing world in which we find ourselves. . . . we have more problems than, possibly, we can cope with. We have so many things that seem to be pulling away from the Christian Church, the Christian ministry, that its going to be a terrific struggle in the years ahead. I have confidence and I have faith in the church, but I actually do not envy the young man starting out today (in the Christian ministry). In another sense I do (envy him). I don't have the training in my background which he is receiving today. And, I'm glad he's receiving this training. Because it has to be a different kind of training, more thorough, it has to be the kind of training which allows today's ministers to cope (with today's problems). . . . For example, I'm not prepared to cope with the drug problem. . . . You can't, by preaching, do too much about it. The only way I can do it, and maybe its the best way, after all, would be to live and to inspire the confidence of young people enough in me and what I do to lead them in a direction which would lead away from these problems."

How do Rev. and Mrs. Lauren Messersmith sum up their thirty-one years of service to Millburn and to Lake County?

"It has been a very satisfying ministry. We've enjoyed all these years together. (We have the) same ideals and we've been working toward the same things - and its been really wonderful!"

Thank you very much, Lauren and Marguerite Messersmith - it really has been wonderful. May it be even more wonderful in the years to come.

ST. THERESE'S TALENT HUNT

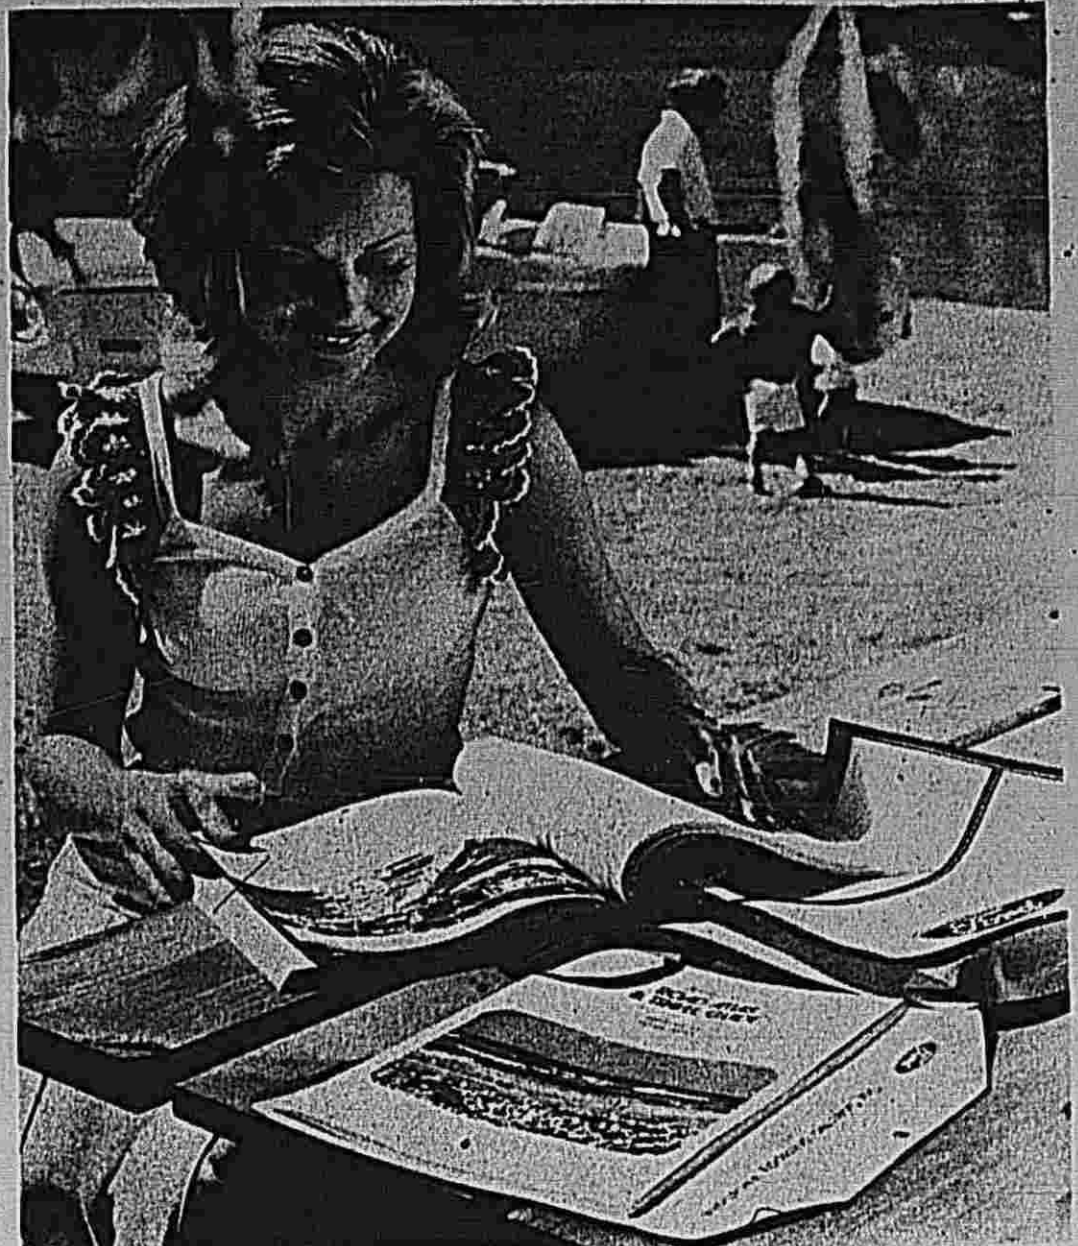

A talent hunt is on! St. Therese Hospital, 2615 West Washington Street, is looking for singing, comedy, variety or instrumental groups or individuals from the Waukegan locale and Lake County area to join with talented employees and staff for a second annual variety show.

Dave Porras, a Waukegan resident with a professional show business and acting background, will emcee the talent show on November 17th, in Mother Leonarda Auditorium.

Auditions are being held each Saturday, 9:30 a.m. to 3:30 p.m., (during the months of June, July, August and September) in the auditorium, adjacent to the hospital. Talented individuals or groups, perhaps trying to break into show business, are asked to contact the hospital public relations office at 688-2804 or 688-2603 on Tuesdays and Thursdays 8:30 a.m. to 4:30 p.m. and Saturdays, from 9:30 a.m. to 3:00 p.m.

Proceeds from the show will be utilized for some worthwhile charitable purpose that ties into betterment of the community. According to Sister Maryann, hospital administrator, such was the success of the first show last December (it raised over \$4,000 toward construction of a helicopter landing pad) that many people have expressed their desire to have another show.

Performers will be asked to provide their own live accompaniment. A piano, organ and record player that may be used are available.

VACATION INSURANCE-Lyons-Ryan Ford Sales, Inc., 104 Route 173, Antioch, Ill., is now offering a 30-day insurance policy that covers repair costs as well as extra expenses for food, motel, car rentals and road service that may be caused by a vehicle breakdown during a vacation trip. In addition, customers receive a 248-page "Ford Vacation Guide," a Rand McNally Road Atlas and an all-purpose vinyl tote bag. The program is being tested in the Chicago metropolitan area by Ford Motor Company's Ford Customer Service Division.

NOTICE TO THE PUBLIC FROM THE ENVIRONMENTAL PROTECTION AGENCY OF A NEGATIVE DECLARATION

This announcement is to inform the public that the Environmental Protection Agency, Region V, Construction Grants Branch, Chicago, Illinois 60606, will not prepare a Draft Environmental Impact Statement on the following project:

NAME: Antioch Sewage Treatment Plant Expansion - Project C171170

PURPOSE: To improve the

quality of treatment and to effectively control pollution of Sequoit Creek

ORIGINATOR AND LOCATION: Village of Antioch 876 North Main Street, Antioch, Illinois 60002

This notice is to implement the Agency's policy to inform the public to the maximum possible extent of the environmental actions it is taking.

Like a good neighbor,
State Farm
Farm is there.

With lower rates
for Illinois
car owners.

A reduced number of claims in the State has resulted in reduced car insurance rates for most Illinois policyholders.

And they still enjoy the same high-quality protection and dependable service that have made State Farm the world's number one car insurer.

Sound good? Then give me a call and compare. I may have some good news for you, too.

The Antioch News SPORTS

LITTLE LEAGUE HIGHLIGHTS

Standings thru July 7, 1973

American Division

	W	L
Tigers	9	3
Yankees	6	6
Astros	4	8
Dodgers	2	10

National Division

	W	L
Orioles	9	3
Cardinals	8	4
Cubs	6	6
Giants	4	8

Highlights

With the season close to completion and each team having 2 games to play, the amazing Tigers, winners of only 3 games last year, have already clinched the American Division title. Bob Berchtold's Yankees have slipped past the Astros into 2nd place by winning 2 out of 3 during the past 2 weeks while the Astros were dropping 3 in a row.

The National Division title holder is still very much in doubt. Tom Poulos' Orioles hold a slim 1 game lead over Bill Nauman's Cardinals with both teams playing outstanding ball during the last two weeks. The Cardinals have won three 1 run heart stoppers in a row. Their 5-4 win over the Tigers had the crowd on its feet until the very last pitch. Dennis Flaschner's 2 out single with the bases loaded in the bottom of the 6th beat the Cubs 8-7 and Matt Brophy outdueled Pat Sikorski of the Yankees in a 3-2 pitchers battle. Big Mike Lischewski has been outstanding for the Orioles both in pitching and hitting. He beat the hard hitting Giants, pitching a 3-0 shutout, allowing only 3 hits and striking out 15, a high for the league this season.

The National Division Winner will probably be decided on July 13, the last regular season game

when the Orioles and Cardinals meet head-on.

An All-Star team of 14 boys will represent the Antioch Little League in National Area Little League tournament. Antioch will play their first game against the Mundelein American Division team on Sunday, July 15 at 1:00 p.m. at Mundelein. Bernie Gutowski and Tom Poulos are managing this year's team.

MINOR LEAGUE STANDINGS thru July 7, 1973

American Division

	W	L
Pirates	8	1
Angels	6	3
Tigers	5	3
White Sox	5	3
Dodgers	4	5
Yankees	2	7

National Division

	W	L
Reds	7	2
Brewers	5	4
Cubs	4	5
Giants	2	6
Cardinals	2	6
Braves	2	7

Results - Saturday, July 7 games.

Reds 14, Dodgers 4; Angels 12, Brewers 8; White Sox 8, Giants 3; Tigers 11, Cardinals 7; Pirates 8, Yankees 1; Cubs 9, Braves 8.

LITTLE LEAGUE PANCAKE BREAKFAST

The Annual Little League Pancake Breakfast will be held on Saturday, July 14 at the Methodist Church on North Main Street. Serving of the hearty meal of pancakes, pork sausages, applesauce, coffee and milk will begin at 7:00 a.m. and end at 1:30 p.m. Donations are \$1.00 for Adults and .75 for children 12 and under.

Tickets can be purchased from any Little Leaguer and at the door on Saturday morning. Three valuable door prizes including a Charmglow Portable Grill, \$25 Savings Bond and Stadium blankets will be awarded. Winners need not be present. All proceeds go to help support the Little League program.

David Berchtold, (No. 1) may be thinking of joining Joe Pepitone in the Japanese Baseball League; at least, he's got good form coming into second base. Unfortunately, R. Zeman was there first and put him out. (Staff Photo)

BABE RUTH STANDINGS

American Division

	W	L
All Seasons	8	1
Charmglow	7	1
Medics	3	7

National Division

	W	L
Advertisers	7	3
Shure Fire	2	6
State Bank	0	9

Highlights

All Seasons, coached by Tom Brophy, won 4 games without a loss including a 10-3 victory over Charmglow to take over 1st place in the American Division. The 2 teams meet again this week in a battle for the top spot.

Antioch Drug, a fast improving team, split their 4 games beating Shure Fire and State Bank after losing a heart-breaker, 10-9, to Charmglow. Dick Witt's Advertisers dropped 2 out of 4 games but still hold a comfortable lead in the National Division. After edging 2nd place Shure Fire 7-6 in a thriller, the Advertisers dropped a 4-3 decision to Charmglow. Shure Fire, coached by Adolph Bentel, has some young talent which is now maturing. With 2 make up games to play; Shure Fire is still very much in the Divisional race.

An Antioch Babe Ruth All-Star team took 2nd place in the area Babe Ruth tournament at Barrington on June 30. Antioch, managed by Dick Witt and Jack McAvoy, beat host Barrington in the first game 15-5. Mitch Witt pitched the win with solid hitting support from Jeff Eder who had a 3 run homer, Tom McAvoy and Ron Sheedlo. In the Championship game, Antioch lost to a very talented Woodfield team 11-0, being held to only two hits.

Antioch has increased their winning streak to seven games and has made their record 9-3, one game ahead of second place Waukegan and Zion with 8-4 records.

Grayslake took the lead in the second inning on a single and a double, but Antioch regained and kept the lead for good in the third inning. Mike Gutowski started things off right by hitting a single to center. The shortstop's error put the batter, Jerry Popp, on first and advanced Gutowski to second. On account of another error by the shortstop, the next batter, Mark Maras, reached first and Gutowski scored. A double by Rick Sedar scored Popp and advanced Maras to third. Tim Mieure's single sent in Maras and Sedar; and an error by the third baseman attempting to tag Mieure out was enough for Mieure to reach home.

Antioch padded the lead in the fourth when Scott Vazquez led off with a walk, went to second on a wild pitch, and scored on Mark Maras's single.

Antioch will finish off the season July 11 by playing the make-up game with Grayslake the 9th and continuing the 8 inning 1-1 suspended game with Lake Villa the 11th. The Legion Tournaments will start afterwards.

LEGION BASEBALL

Antioch vs Grayslake

Jim Fischer

Antioch played their only game of the week on July 2, beating Grayslake 6-2. They did, however, win two games due to forfeits by the Lakes Region team on July 6. One for the nine inning (3-3) game on June 18, and one for the regularly scheduled game. The reason they forfeited was that only seven of their players came. With these three wins,

Grayslake 010 001 0 2 4 3
Antioch 005 100 x 6 7 1

SNOWMOBILE SAFETY COUNCIL

A national conference on snowmobile safety will be held July 18-20 at the Trees for Tomorrow Environmental Center in Eagle River, Wisconsin.

According to Mully Taylor, executive director for Trees for Tomorrow, the objectives of the meeting are to review, update, and standardize snowmobile safety instruction. The organization's snowmobile advisory council will also seek reciprocity between snow belt states on driver certification inasmuch as snowmobile safety instruction is now standardized among states.

The conference is co-sponsored by the center and the National Safety Council; International Snowmobile Industry Association; Wisconsin Depart-

ment of Natural Resources; Association of Wisconsin Snowmobile Clubs, and University of Wisconsin Extension.

Complete information is available from Mully Taylor, executive director of Trees for Tomorrow, Eagle River, Wisconsin, 54521.

BLOW AGAINST POLLUTION

The Chicago Motor Club-AAA says motorists can strike a clean blow against dirty air and improve their car's performance and gas mileage by following these tips: Operate only with clean sparkplugs; if you engine is burning oil, have it fixed; avoid jerky starts and stops; have periodic mechanical checks of carburetor and ignition systems.

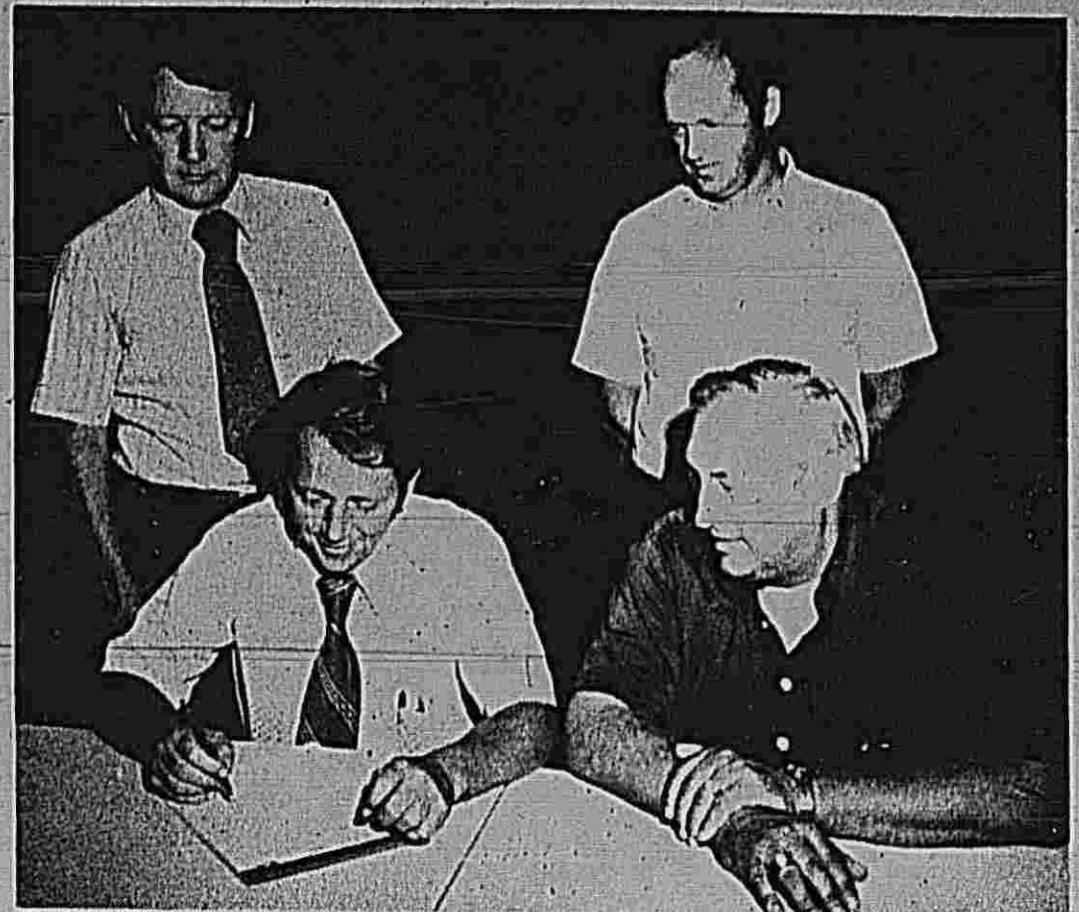

REIMER SWEEPS GRUNDY JULY 4TH MODS

Johnny Reimer, Caladonia, Wisconsin stock car driver and defending Champion of the IRA Super Modifieds, continued a hotter than a fire-cracker win streak at the Grundy County Speedway in Morris, Illinois on Wednesday afternoon July 4 by sweeping the events.

His wins in the Trophy Dash, heat race and 35 lap feature, followed a record setting qualifying run in time trials with a lap turned on the one-third mile banked asphalt speedway in just 15.80 seconds. It was his second new track record in less than 24 hours. On Tuesday night July 3, he broke the track record at the Capital Speedway in Oregon, Wisconsin where the super modifieds raced against late model stocks.

His record at Capital bettered the mark of Dick Trickle in a late model and his record at Morris bettered the time of Ron Marish set in September 1972 when the super modifieds last raced at the Grundy Speedway.

Reimer won that feature too as well as the one at the Capital Speedway on Tuesday. At Morris, he took the lead from Ron Bergsma, Richmond on the 17th lap and had a straightaway lead on Whitey Harris, Lake Villa at the end. Bergsma was third followed by Ron Marish

Antioch Lions Club Annual Chicken Bar-B-Q and Auction is set for Sunday, August 5 from 11 a.m. to 6 p.m. This year's auction proceeds will be donated entirely to the Antioch Rescue Squad. Committee chairmen making final arrangements for the huge auction are: Seated left, Jim Fields, Capt. Antioch Rescue Squad; right, Herman Behm, Auctioneer; standing left, John Fields, Chairman Auction Committee and Walter Shepard, President of the Antioch Lions Club. Tickets are \$2.00 per plate and include a schedule of special events for a day of family fun, food, games and a financial boost for the Antioch Rescue Squad.

Further details on page 11

ANTIOCH, ILL. 395-3600

(Week of July 13-19)

ARIES (March 21-April 20): A trying time that may require tact and patience. Relatives, family may be in no mood for quarrels. Be careful if driving, especially on weekend. Best day: Monday.

Taurus (April 21-May 20): Follow your own intuition in matters involving work, career or school. You know your ambitions better than anyone else. Not a favorable time for new romantic interests. Be sure to get adequate rest. Best days: Friday, Monday.

GEMINI (May 21-June 21): Saturn is still influencing your sign, requiring utmost effort on your part to advance your career, civic interests. You like to be proud of all you do. Creative projects favored and there's a chance for a turn of good luck. Best days: Friday, Thursday.

CANCER (June 22-July 21): Finances could improve unexpectedly. Weekend is fine for entertainment, shopping and outdoor activities. Don't be upset if social engagements have to be postponed. This isn't the time for a show of temper. Best days: Tuesday, Thursday.

LEO (July 22-Aug. 22): Teamwork can achieve your goals this week. Be considerate of co-workers and other associates. They'll respond best through understanding on your part. Social activities may prove tiresome, so be sure you schedule some time for rest. Best days: Wednesday, Thursday.

VIRGO (Aug. 23-Sept. 22): An up-and-down period ahead for those born under your sign. Weekend may not go as well as you planned, particularly social activities. But you can make real progress at work by impressing superiors with your energy, dedication to tasks. Best days: Monday, Tuesday.

LIBRA (Sept. 23-Oct. 22): Family problems could upset your weekend mood. Be more understanding of family's desires. Work or creative projects go well this week. Watch the budget to avoid financial woes. Best days: Wednesday, Thursday.

SCORPIO (Oct. 23-Nov. 22): An excellent period for Scorpio-born. Social life can be active. Romantic cycle is high. You may meet a new and interesting friend. Shopping, entertaining favored. You can be the perfect host or hostess this weekend. Best days: Saturday, Sunday.

SAGITTARIUS (Nov. 23-Dec. 21): Don't mope around waiting for things to happen. If you have a long-cherished goal or social ambition, get busy with whatever it takes to advance your desire. A little more attention to good grooming can help. Best days: Monday, Thursday.

CAPRICORN (Dec. 22-Jan. 20): Moon in your sign makes this an excellent period for gaining recognition, attention for your talents and skills. You have a talent for growing things. Use it. A new romantic interest is possible. Best days: Tuesday, Thursday.

AQUARIUS (Jan. 21-Feb. 18): Enthusiasm and energy can advance your interests this week. Be wary of counsel of others. Your own strong views are a better guide. A busy schedule can make social activities something of a drag. Strike a reasonable compromise between work and play. Best days: Sunday, Wednesday.

PISCES (Feb. 19-March 20): Good fortune is smiling on you in the week ahead! Things will go your way, so don't be too greedy. An excellent period for entertaining, making new friends and outdoor recreation. Best days: Friday, Tuesday.

WIN AT WILMOT GIVES DUSTIN POINT LEAD

Dick Dustin, Greenfield won the Interstates Racing Association 35 lap modified stock car feature race at the New Kenosha County Speedway on Saturday night July 7 and took over the point lead there from Roger Otto, Burlington. Otto finished fourth and stayed second in the Wilmot point standings. Dustin started on the pole and was a half straightaway ahead of Whitey Harris, Lake Villa at the end. Not even when he caught the slower cars was he slowed down. His only threat was a loose hood fastening that left the hood flapping from the 2nd lap to the last.

Finally, on the last lap as he took the checkered flag, the hood flew up partially but the race was over and the win his. It was his first at Wilmot this

season. He won last on the old track on August 26 of last year.

Following the win, he said that he didn't like winning from the pole but that was just the "breaks in racing". He then accepted the Trophy and a kiss from Queen Darlene Hallet representing a visiting Newspaper staff from Burlington.

Aaron Solsrud, Menomonee Falls finished third after moving by Otto late in the racing. Otto was followed by Jim Bozeman, Waukegan; Ron Marish, Milwaukee; Don Sorce, West Allis; Joel Reimer, Milwaukee; Ron Bergsma, Richmond; and fast time qualifier, Roger Iles, Waukegan.

It was the first Iles had set fast time and he was honored with a kiss from Queen Hallet and a bottle of Champagne from Mike Siva Racing Associates of

Waukegan.

The feature race, like the heats for the modifieds was complete without a red flag. However, it took four restarts to finish the 15 lap semi-feature. Tom Anderson, Antioch had been a sure winner but one lap after the final start, a wheel locked up and he had to pull out giving the lead and the win to Joe Fote, Milwaukee. Fote also won a heat with other IRA Star checkered-flag circuits going to Anderson; Dave Bliss, Algonquin and Dustin.

The Sportsman feature race was won by Ron Fryer, Milwaukee ahead of Duke and Sid Norton, McHenry. Fryer also won an earlier heat race with the othe win in a heat going to Dan Rousch, Kenosha.

The attendance was 3879 and the purse was \$3735.25.

LAKE COUNTY RIFLES — COMPLETE NEW LOOK

There will be a complete new look for the Lake County Rifles professional football team when the season opens July 21.

Opponent for that game will be the Manitowoc Chiefs. The game will be played at 7:30 p.m. in Carmel Field on Highway 176, Mundelein. A portion of the gate will be donated to United Way of Lake County.

As part of the exciting new look, the Rifles will have 60 new home and 60 new away uniforms. The home uniforms will be a dark blue jersey with bright gold lettering. The pants will be blue with gold stripes.

The away shirts will be white with gold lettering. All of the helmets will be blue with a gold stripe and the Rifles logo embossed on them.

The new look for the team includes a new owner, Joe O'Neill, who obtained control of

the club from bankrupt Meister Brau, Inc. There will be new concessions at the field including the sale of Hamm's beer this year which replaces Meister Brau.

Additionally, there will be improved marking of the field and seats, better traffic control after the games, improved general field conditions and rest facilities. As another improvement of the field, knowledgeable Jim Wallace, the former radio voice of the Rifles, now will become the field announcer.

Another part of the bright new look with the Rifles is a new head coach, Robert Franz. He is bringing with him a new offensive approach which calls for the club to pass considerably more than it has in the past.

Franz said that fortunately he has a number of competent receivers in the practice camp.

These include rookie A.J. Owens from Northwestern university; also Bill Trapp, a split end from Notre Dame who won all city-state and American honors while at Mt. Carmel high school in Chicago.

Another newcomer but hardly a rookie is Julius Wright who is

trying to move up from semi pro ball for the Washington D.C. Bears to the Rifles. Wright, 30, a wide receiver, was transferred to Waukegan by Marriott Corp., for whom he manages one of their restaurants.

Jerry Sandberg, 30, an outstanding flanker for the past several seasons with the Rifles has been watching practice but has not yet signed a contract.

Rifles quarterbacks include "The Red Baron" Robert Berezowitz who holds many passing records in the Central States Football League, and Rocky Self from Texas A & M. A couple of additional quarterbacks are expected in the Rifles camp in the next few weeks.

Another veteran that has signed is Rich Wheeler of Lake Zurich.

In practice all-league defensive end Chuck Burgoon fractured his thumb and wrist when it became caught inside the shoulder pads of another player during practice. He is expected to be ready to return to action by the first practice game.

WAUKEGAN SPEEDWAY

A near full-house was on hand Saturday night to watch Wheeling's J.P. Gatti breeze to a new 25-lap track record in the Waukegan Speedway late model 'sportsman' races. Evil Emil Ladewig won the head-on demolition.

Gatti had everything his own way Saturday taking the main event lead on the 11th lap from Chuck Clark who finished second. Ted Richter took third on the 5th lap and held off Abel Avila and two-time winner Lou Clavey to the finish. Consolation race winner Joe Francisco was 6th followed by Joe Horn and Don Ellgass.

Floyd Burdick led the first two laps which included a crash between Keith Nuutinen and Al Gutche at the end of the first lap which knocked both cars into the infield and out of the running.

The final hobby heat saw 20-cars start with leader Jim Burmeister flipping off the backstretch wall with three laps to go. Ed Dunne won that race but the closest hobby finish came in the second heat when

Granville Grogan and Dan Hanlin crossed the line locked together with Grogan inches ahead. Sonny Sears won the other hobby race.

The sportsman heat races kept the large crowd on the edge of their seats with Frank DeFillippis scoring the first win with a Rambler in the opening heat. Nuutinen, substituting for Denni Heiskala Saturday, too the second heat lead with three laps to go.

But there was plenty of action in those final three laps as Wendell Stevenson and Nuutinen collided coming for the checkered stacking-up the balance of the field. Burdick flew through the air across the line for second with Ellgass third and Stevenson fourth before they all piled-up a hundred feet past the starter's stand. Richter beat Gutche and Horn in the fast heat.

There will be a powder puff derby for the ladies next Saturday night at Waukegan and STOCK CAR FOOTBALL starts on Sunday night, July 29th.

OTTO OVERALL POINT LEADER IN IRA MODIFIED

Roger Otto, Burlington, continues to lead the overall and track point standings for the Interstates Racing Association of super modifieds. Defending champion, Johnny Reimer, Caladonia took a big jump in the overall standings with a clean sweep of events at the Grundy County Speedway in Morris, Illinois on Wednesday afternoon July 4.

Otto leads the point standings at the New Kenosha County Speedway in Wilmot as well as the Lake Geneva Raceway standings even though he has won only one feature in IRA competition this season. That compares with three feature wins each for Reimer and Whitey Harris, Lake Villa.

Otto is tied with Reimer for the number of overall wins so far.

Each driver has carried the IRA star-checkered flag six times in sanctioned racing.

This Wednesday night, July 11, the race in the 50 lap mid-season Championship race at the Kenosha County Speedway in Wilmot.

REGISTER NOW FOR BOYS FOOTBALL

Registration for Antioch Vikings boys football will be held on June 30 and July 14 from 8 a.m. to 12 Noon at the Antioch Scout House on Main St. Boys must weight 80 lbs. or over, still attend grade school and not be 15 before Sept. 1. There is a \$5.00 registration fee. Practice begins August 13. Time 5:45 p.m. Highschool Football Field.

This is the third year Antioch will be entered in the Northern Illinois Junior Tackle Football League. The league is comprised of 14 teams in Northeastern Illinois. It is divided into two divisions, with a championship play off for the league title after divisional play. Each team has 2 squads, Lightweight weighing up to 110 lbs. and Heavyweights 110 and over.

Antioch Lightweights won the Third Place trophy in their division last year. The Heavyweight team also gave a very good showing.

GRESKE'S ARE GREAT IN WILMOT SPECTACULAR

Joe and Carrol Greske, Caladonia were the winners in the main events for the Interstates Racing Association Sportsman Stock Cars at the New Kenosha County Speedway in Wilmot on Tuesday night July 3.

Joe earned \$150.00 for his win in the 25 lap Sportsman Spectacular Feature that included entries from the Hales Corners Speedway, the Waukegan Speedway and the Wilmot Speedway. Joe also won a 10 lap heat race and his wife Carrol won the Ladies Powder Puff race.

Joe Greske took the lead in his 1957 Chevrolet from Niel Ninneman, Hales Corners who had taken the lead away from Keith Seamars, Waukesha on the 3rd lap. Ron Fryer, Milwaukee ran over a tossed

Bob Roper of Chicago, formerly of Hollywood, California, was the 7th feature leader at the Waukegan Speedway Sunday night in the late model 'super stock' class, but it was when it counted as he scored his third feature win of the season wheel from another racer and this caused his car to lose the steering. He was running fifth at the time and would have been an up front contender.

In the semi-feature, Danny Brown, McHenry was the winner. Nels Holm, South Milwaukee flipped over in the first turn on the start of this event but was OK and drove his car back to the pits.

Other heat race winners were Dan Rousch, Kenosha; Brown and Seamars.

In the race of Champions, with top point drivers from the three Speedways represented, IRA cars sweep the front spots with Fryer ahead of Sid Norton, McHenry. Al Lundberg, Pewaukee was third. Sid Norton recorded fast time for the night.

here in Troy Robinson's No. 5 Chevelle. Tom Jones of Northbrook was second and Tom Musgrave of Mundelein took third spot ahead of Lockport's Larry Schuler.

Roper took the lead on the 22nd lap and held a three carlength margin over Jones at the checkered. The win was the 18th at Waukegan for Roper in the past five years. The race was stopped three times for accidents including the spin-off of Tom Urban of Mundelein who was leading in the 5th lap. Lou Clavey and Elmer Musgrave also brought out the red.

Urban led the first four laps, then heat race winner Jacques Terrault led two before Ed Hoffman grabbed top spot. Two laps later after a red flag Tom Musgrave took top spot for three laps before Jones moved in front and looked like a winner.

But Hoffman fought back

copping first at the halfway point with Roper slipping into second. However with nine laps to go the transmission broke on Hoffman's Camaro sending him into the pits and Roper home the winner. Dave Evans took fifth ahead of Terrault and Clavey, all on the same lap.

Jones led the qualifiers in Sunday's heat with a sizzling :14.30 lap to edge Tom Musgrave (:14.56), Evans (:14.57) and Hoffman (:14.60).

Tom Musgrave then won the trophy dash in a last lap decision with Evans spinning out while heats went to Tom's Dad, Elmer Musgrave, Terrault and Jones.

Bryant Goldstone of North Chicago took the opening hobby heat while Sonny Sears, also of North Chicago annexed the second and third heats. Emil Ladewig and Skip Don were the only successful jockeys in the rollover derby.
